

अखिल भारतीय तकनीकी शिक्षा परिषद्  
ALL INDIA COUNCIL FOR TECHNICAL EDUCATION  
(भारत सरकार का एक सांविधिक निकाय) (A STATUTORY BODY OF THE GOVT. OF INDIA)

F.NO.06/03/UP/ENGG/002

Date : 08/06/2005

To

Principal Secretary  
Higher & Technical Education  
Govt. of Uttar Pradesh, UP Vidhan Sabha Annexe,  
Vidhan Bhawan, Lucknow-01

Sub: Extension of approval to Ajay Kumar Garg Engineering College, 27th Km. Stone, Delhi-Hapur Bypass Road, P.O. Adhyatmik Nagar, Ghaziabad - 201 009. for the year 2005-06-rcg.

Sir,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that quality is not compromised and stakeholders are satisfied. The Council also undertakes an annual inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be complacent about taking steps to remedy the deficiencies. Such institutions suffer from critical deficiencies of faculty and other requirements. Feedback of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortcomings in key areas.

Your institution has several deficiencies, which are listed in Annexure-A for your perusal. These deficiencies have rendered the institution liable for strict punitive action. However, the Council has decided to take a lenient view and put only the course(s) which suffer from the most critical deficiency i.e. shortage of faculty in the reduced intake category. The approved course(s) along with recommended intake for the year 2005-06 in respect of Ajay Kumar Garg Engineering College, 27th Km. Stone, Delhi-Hapur Bypass Road, P.O. Adhyatmik Nagar, Ghaziabad - 201 009. is as under:-

COURSE (S)	APPROVED INTAKE	APPROVED INTAKE
	2004-05	2005-06
(UG)		
1. Comp. Sc. & Engg.	120	120
2. Electrical & Electronics Engineering	60	60
3. Electronics & Comm. Engineering	120	120
4. Information Technology	60	60
5. Mechanical Engineering	60	60
Total	420	420

Note:- Additional intake / new courses / PIO quota not granted on account of deficiencies in running of existing courses with existing sanctioned intake (wherever applicable).

The Council is committed to facilitating the institutions to come up to the expectations of the stakeholders through rectification of deficiencies. It has therefore been decided by the Council to give yet another opportunity to rectify at least the deficiency of faculty irrespective of the cadre ratio for consideration of restoration of UG course(s) in Engineering & Technology / Pharmacy / MBA and MCA. However, for restoration of intake at PG level in Engineering & Technology and Pharmacy, a minimum of one faculty with Ph.D. qualification and two with postgraduate qualifications in the respective discipline would be essential.

In case the institution is able to recruit the required faculty for individual course and intimate the Council regarding the same in the enclosed Proforma latest by 7th July, 2005, the Council would favorably consider proportionately restoring intake in course(s) where it has been reduced as soon as the appeal is received by the Council.

Ghaziabad

Contd. 2

Please note that the Council may independently verify the factual status in respect of recruitment of faculty. The institution shall be liable for strict action including action under the relevant provisions of Indian Penal Code in case false information is furnished to the Council on recruitment of faculty.

It may also be noted that relaxation in respect of rectification of deficiencies in terms of faculty is applicable only for the purpose of restoration of intake for the academic year 2005-06. All other deficiencies including appointment of faculty have to be complied with by 31/08/2005 for extension of approval for the year 2006-07.

A compliance report indicating rectification of all the deficiencies including details of faculty recruited for each course must be received by the Council latest by 31<sup>st</sup> August, 2005 to entitle your institution for extension of approval for the year 2006-07. The compliance report must be accompanied with a visiting/processing fee as prescribed by the Council in the form of a demand draft in favour of Member Secretary, AICTE payable at New Delhi. In the absence of the processing / visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.

Enclosure:- Annexure-A

Yours faithfully

(Dr. P. Venkateswara Rao)  
Adviser (UG/ PG)

Copy to :

- The Principal,  
Ajay Kumar Garg Engineering College,  
27th Km. Stone, Delhi-Hapur Bypass Road,  
P.O. Adhyatmik Nagar,  
Ghaziabad - 201 009.
- Regional Officer, AICTE, Northern Regional Office, A-1, Laxman Bagh, Nawabganj, Kanpur-208 002
- Director of Technical Education, Govt. of Uttar Pradesh
- The Registrar, Affiliating University  
He is requested to complete the process of affiliation for facilitating admissions.
- Guard File.

Note: a) The institute was found to be having deficiencies in respect of eligible faculty and the cadre ratio as per AICTE norms in other existing programmes also. However, in view of the Policy of the Council to relax 25% faculty requirement for the academic year 2005-06, the existing intake was not reduced. You are required to fulfill the faculty requirement as per norms by 31<sup>st</sup> August 2005 and submit the compliance for the same (where ever applicable).

b) The calculation of required faculty strength for every course is based on 1:15 ratio of the total sanctioned intake for Pharmacy, MBA, MCA, HMCT and B.F.A. However, for the Engg. Courses, intake of first year have been exempted where the faculty for basic sciences and humanities is expected to teach. (Calculation is based on total sanctioned intake from IInd year to IVth year)

Ghaziabad

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION  
NEW DELHI

Annexure - A

Name & Address of the Institution	Programme
Ajay Kumar Garg Engineering College, 27th Km. Stone, Delhi-Hapur Bypass Road, P.O. Adhyatmik Nagar, Ghaziabad - 201 009.	Degree Engineering & Technology

Faculty :

- Faculty is the soul of an institution and in the absence thereof an institution cannot impart quality education. The shortfall existing in this critical parameter irrespective of the cadre ratio is as follows :
  - Total combined faculty available for CSE ,IT and MCA is 37 . 26 faculty is adjusted for CSE & IT ( 25% shortfall for each) , hence for MCA shortfall is 45% as 11 are available against the requirement of 20.
  - Director is not qualified as per AICTE norms.

Workshop :

- Required area is 900 sq.m as against the availability of 387.46 sq.m (shortfall 57%.)

Others :

- Modern teaching aids are needed. —
- Teachers may be motivated for higher qualifications. —
- Institute - industry interaction needed. —
