Director General <dg@akgec.ac.in>

To: "All Employees (HoDs, Faculty and Staff)" <allemployees@akgec.ac.in>

Dear All,

Greetings and best wishes to you, your families and friends on the 72nd Republic Day of our nation. On this day we celebrate our Constitution by pledging to uphold the democratic values and constitutional methods for achieving our social and economic objectives.

Reminiscing the past 71 years since the constitution came into effect, we have come a long way in our commitment towards the Constitution and the cherished ideals of liberty, equality, fraternity, and justice for all, which formed the bedrock on which this great nation was built. However, we still have a long way to go to fulfill our dreams and aspirations of restoring our past glory and becoming the most advanced nation with peace, prosperity and happiness for all its citizens. And none other than we, the citizens of the country, can achieve these through our dedicated and concerted efforts.

On this day, let us pledge to make our humble contribution in the service of this great nation. Let us be good citizens conscious of our civic and social responsibilities. Let us do the duties in our respective roles with sincerity, honesty and integrity. Let us not curse the darkness around, but light a lamp.

Best wishes,

Jai Hind!

Dr R K Agarwal
Director General

Independence Day Greetings

1 message

Dr R K Agarwal <dg@akgec.ac.in>

Sun, Aug 15, 2021 at 6:07 AM

To: "All Employees (HoDs, Faculty and Staff)" <allemployees@akgec.ac.in>, All Students <allstudents@akgec.ac.in>, Alumni 2010 <Alumni2010@akgec.ac.in>, Alumni 2017 <Alumni2017@akgec.ac.in>, Alumni 2020 <Alumni2020@akgec.ac.in>, alumni2002@akgec.ac.in, Alumni 2003 <alumni2003@akgec.ac.in>, Alumni 2004 <alumni2004@akgec.ac.in>, Alumni 2005 <alumni2005@akgec.ac.in>, Alumni 2006 <alumni2006@akgec.ac.in>, Alumni 2007 <alumni2007@akgec.ac.in>, Alumni 2008 <alumni2008@akgec.ac.in>

Dear Faculty, Staff, Students and Alumni,

My heartiest greetings to you and your families on the 75th Independence Day of our nation.

The Independence Day reminds every Indian about the dawn of a new beginning, the beginning of an era of liberation from the oppression during the British Raj of more than 200 years. It is the day to remember and pay homage to the martyrs, revolutionaries and freedom fighters who sacrificed their lives so that we, the future generations, could live, grow and prosper in a free nation. It is also the day for us to dedicate ourselves to the service of our nation and work towards fulfilling their aspirations and dreams of a peaceful, developed, prosperous and happy nation. And for that all we need to do is to do our work/ duties with utmost sincerity, be a law abiding conscientious citizen and a good human being with sound ethics, moral values, positive attitude and concern for others.

The theme of India's Independence Day 2021 celebrations at the Red Fort is 'Nation First, Always First'. Stressing on the 'Nation First, Always First' mantra, our Hon'ble Prime Minister Shri Narendra Modi has said that as the country enters its 75th year of Independence, every citizen should lead a "Bharat Jodo Andolan (Unite India Movement)". He stressed that it is our responsibility that we do our work in such a manner that it helps in uniting our country which is full of diversities.

Let us all, as responsible citizens of the Nation, pledge to join the Bharat Jodo Andolan with full devotion, enthusiasm and perseverance. Let us not curse the darkness but light our own small lamp to bring the change that we wish to see in our country.

My best wishes to you all and your family.

Stay safe, healthy and happy

Jai Hind!

Happy Teacher's Day

1 message

Dr R K Agarwal <dg@akgec.ac.in>
To: All Faculty <allfaculty@akgec.ac.in>

Sun, Sep 5, 2021 at 7:15 AM

Dear Colleagues,

My heartiest greetings to you on the occasion of Teachers' Day. The day is celebrated every year on the 5th of September to mark birth anniversary of Dr Sarvepalli Radhakrishnan. A great scholar, philosopher and a Bharat Ratna recipient, Dr. Radhakrishnan was the first Vice President and second President of independent India. It is a day to honour teachers for their significant contributions in shaping the life of students.

It has been truly quoted that "Teaching is a profession that teaches all other professions". Teachers are responsible for the making of not only doctors, engineers, bankers and any professional that we may think of but also more teachers. Besides the responsibility of teaching the curriculum and imparting professional training to the students, teachers play a vital role in teaching the transcendent faculties of communication, decision making and awareness of social responsibilities. The potential of inculcating strong moral character and ethics, kindling inspiration, encouraging creative thoughts and providing emotional support are all expected to be vested in the character of a teacher. The role of a teacher encompasses that of an instructor, friend, role model and confidant.

On this significant day, let us all pledge to rise to the highest pedestal expected of a teacher and not fail in our responsibility towards nation building by developing the youth of today into knowledgeable, confident and good human beings.

Best Wishes.

Dear Students, Faculty and Staff,

Greetings to you and your families on the auspicious occasion of Deepawali.

Deepawali is celebrated every year during the Amavasya of the Kartik month, to celebrate the return of Shri Ram to Ayodhya after 14 years of exile. It symbolises the victory of good over evil and victory of light over darkness.

May this Deepawali bring all the happiness, prosperity and good health to everyone and enlighten your lives. We may celebrate the festival of lights in the true sense with festivities not only in our homes but also spreading joy around us and lighting up the world of someone in need.

Best wishes. Have a happy and blessed Deepawali.

Happy Engineer's Day

1 message

Tue, Sep 15, 2020 at 6:36 AM

Director General <dg@akgec.ac.in>
To: All Faculty <allfaculty@akgec.ac.in>

Dear All,

My heartiest greetings on Engineer's Day to all of you, great minds that have made a difference in the society with technology and also to those who are engaged in creating brilliance as a teacher.

Engineer's Day is observed on the 15th of September every year in India commemorating the birthday of one of the greatest engineers in India and an amazing human being, Sir Mokshagundam Visvesvaraya, popularly remembered as Sir MV. Sir MV is known as India's most prolific civil engineer, economist, dam builder and statesman.

Engineer's Day is celebrated to feel proud of the engineers of our country and to celebrate their achievements in each and every facet of science and technology. Engineers play a very crucial role in the economic progress and development of a country. The day is devoted to celebrate the past accomplishments of engineers and to glorify the future trends in engineering. The day marks the significance and importance of engineers at every step of our daily life.

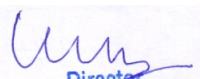

On this day let us together pledge to involve ourselves in honest and only honest enterprise and give the utmost of our performance in response to call of duties. Let us also resolve to maintain total integrity and fair dealing, respect, tolerance and spirited dedication to the dignity and standards of our profession. Let us undertake to be responsible citizens of the country and good human beings.

Stay safe, stay healthy and happy.

17th Jan 2018

BASANT PANCHAMI

Basant Panchami day is dedicated to Maa Sarāswati, the Goddess of Knowledge. Goddess Saraswati is worshipped on Basant Panchami Day. People worship Goddess Saraswati to get enlightened with knowledge and to get rid of lethargy, sluggishness and ignorance.

As you are aware, the college has a Faith Centre in the campus with an idol of Goddess Saraswati. The Faith Centre opens for limited period in morning and evening hours for visit by students of the college. However, on the occasion of Basant Panchami on 22nd January 2018, the Faith Centre will remain open for the whole day from 6.15 A.M. to 7.30 P.M. for all the personnel of the college.

All students, faculty and staff desirous of offering their prayers and get blessings of Maa Saraswati may visit the Faith Centre whenever they are free from their routine tasks / classes.

23rd January 2018

NETAJI JAYANTI : DESH PREM DIVAS

23rd January is the Birth Anniversary of our great Leader, Freedom Fighter and Nationalist Netaji Subhash Chandra Bose. It is proposed to celebrate this day as Desh Prem Divas to create awareness about his contribution to our freedom and ignite the spirit of nationalism amongst the citizens.

Netaji Subhash Chandra had qualified for Indian Civil Services in 1920 but for his love for country, he resigned Civil Services and joined National Congress. His ideology and principles forced the other nationalists to enforce Purna Swaraj proposal to British Government.

Though elected Congress President twice, he left the Non-Violent Movement due to his belief that Strategy and forceful opposition could only free India from the slavery of British rule. He resigned from congress and formed 'All India Forward Block' and became very popular amongst youth of the country. His escape from House arrest to Europe through Kabul is a remarkable event in the Indian history.

He formed the Indian National Army (INA), popularly called as "Azad Hind Fauz". He became its Commander-in-Chief, declared war against British and addressed people of our country from Rangoon. His famous words were "GIVE ME BLOOD, I WILL GIVE YOU FREEDOM". INA conquered Manipur in Assam. While the advance of INA was stopped due to defeat of Germany and Japan during the Second World War, his actions contributed immensely towards driving out the Britishers and forcing them to give independence to India.

To generate the feeling of love for nation and motivate soldiers from all communities, he gave the famous slogan "JAI HIND" which our college has also adopted as a normal salutation and greeting.

Let us pay homage to the greatest patriot, Netaji Subhash Chandra Bose, by working towards building a prosperous and Happy Nation of his dream.

JAI HIND

HAPPY TEACHER'S DAY

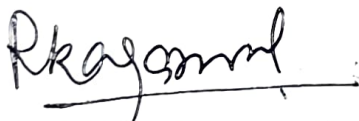

Greetings and best wishes to all faculty members on 'Teachers Day'.

As teachers we not only teach Curriculum but other important lessons in life which impact the character, conduct and careers of our students. Teachers are the most responsible and important members of society whose selfless professional efforts mould future generations.

Let us continue our sincere commitment and dedicated service in this noble profession as our contribution to nation building.

We also pay tribute to Dr Sarvepalli Radhakrishnan, our former President, a scholar, statesman and a respected teacher who shaped many minds and served India.

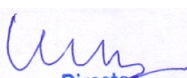

It is a day to also remember our own teachers who inspired us to be what we are today.

30th January 2016

JANUARY 30 - MARTYRS' DAY

Martyrs' Day would be observed by all Faculty, Staff and Students of the college on 30th January beginning at 11:00 AM by observing silence for 2 minutes. Following procedure would be followed :

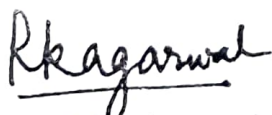

- a) First Hooter — 10:55 AM - To be sounded by Exam Control Room.
Faculty in respective classes to read the message as given below.
- b) Second Hooter — 11:00 AM - All to stand and observe silence for 2 minutes
- c) Third Hooter — 11:02 AM - Normal work is resumed

MESSAGE

January 30th is observed as the Martyrs' Day. On this day the Father of the Nation, Mahatma Gandhi was assassinated. It is an annual observance day to pay homage to all the freedom fighters who sacrificed their lives in service of the Nation. so that we could live and grow in a free country. All the Indian citizens are expected to cease their normal activities and observe silence for two minutes for paying homage to the souls of those martyred.

"Bapu" was one of the greatest leaders of the last century. His popularity is not just restricted to Indian boundaries, but millions of people across the globe hold him in highest esteem. His method of protest and struggle through non-violence paid great dividends in attaining independence for our country.

The day reminds us of great revolutionaries and freedom fighters, who attained martyrdom while fighting for the sovereignty of our country. On this day we should also resolve to hold the traditional national values for which all martyrs laid down their lives. As a true homage to them, all of us should do our duties with sincerity and contribute our humble bit for the development of our nation, to fulfill the dreams and aspirations of the great freedom fighters.

13 August, 2016

HAPPY INDEPENDENCE DAY

On the auspicious and proud occasion of 70th Independence Day of the Nation on 15 August, 2016, I convey my greetings and wish all the faculty, staff and students of the college a

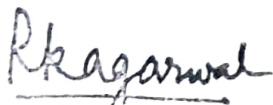

VERY HAPPY INDEPENDENCE DAY.

I feel it is my duty to remind you that our existence in this free, progressive country is thanks to the sacrifices made by lacs of freedom fighters, who braced violence peacefully, suffered atrocities with silent but eloquent bravery, and stoically sacrificed their personal comfort for the future generations, that is all of us. The free air that we breathe in this country is therefore the gift we got from our past few generations, who martyred themselves so that we have a bright future.

It is essential for all of us to be aware of our past, the sacrifices made by thousands of freedom fighters who dreamt of a free, peaceful and prosperous nation. When we remember them and understand what toil they have undergone in making our country free, we understand the responsibility cast on us to use this precious gift of freedom with care.

I urge all faculty, staff and students to pay tribute to all the freedom fighters and martyrs by remembering them and by doing deeds to fulfill their dream of making our country a better place for all of us to live, grow and prosper.

Jai Hind

15th September 2016

HAPPY ENGINEERS DAY

Greetings and best wishes to all faculty members and students on 'Engineers Day'.

This Day is observed as a mark of respect to all the engineers who have made our life easier, comfortable and a better place to live. Engineers as professionals have the most significant contribution in a nation development, prosperity and happiness. We can't think of large building, hi-tech gadgets, innovative structures, softwares, aeroplanes, fast running sports and luxurious cars etc. without Engineers. They make things that seems impossible, possible.

Engineers' Day is observed in India coinciding with the birth anniversary of great Indian engineer Sir Mokshagundam Visvesvaraya (Vishweshwaraya), who was born on Sept. 15, 1860. Visvesvaraya, the Diwan of Mysore, who was also a scholar and statesman, received the Indian Republic's highest honour, the Bharat Ratna, in 1955. The civil engineer, who graduated from the College of Engineering in Pune, played a pivotal role in protecting Visakhapatnam port from sea erosion. He was also the chief designer of flood protection system in Telangana and chief engineer of Mysore's Krishna Raja Sagara Dam.

We pay our highest tribute to the Engineering father of the Nation.

We design, we construct,
we observe, we initiate,
we drive, we move,
we accelerate the world,
we are the gears of progress,
we are the future of the nation,
we are the engineers,
and I am proud to be an engineer.
