This form is intented to collect the feedback related to your satisfaction towards the curriculum. This information provided by you will be used as an improtant feedback quality improvement of the curriculum.

(1- strongly disagree, 2- Disagree, 3- Neither Agree nor disagree, 4- Agree, 5- Strongly Agree)

Sr. No.	Feedback on Course	1	2	3	4	5
1	Syllabus is compatible with the course			✓		
2	Aims and objectives of the syllabi are well defined and clear to teachers and students				✓	
3	Course content is followed by corresponding reference materials.				✓	
4	The syllabus has good balance between theory and application.			✓		
5	The syllabus has made me interested in the subject area.			✓		
6	The syllabus covers Advanced topics			✓		
7	Syllabus is industry oriented			✓		
8	Learning value(In terms of Skills, Concepts, Knowledge, Analytical Abilities, or Broadening Perspectives)			✓		
9	The recommended text books are available and mao onto the syllabus and the allocation of credits to the course is followed in a proper way				✓	
10	Size of syllabus in terms of load on the students is maintained.				✓	

Other Suggestions(If Any):

More subjects related to upcoming technologies must be incorporated in the syllabus. And more practical work should be incorporated alongside theory as this makes students more interested in the subject.

AJAY KUMAR GARG ENGINEERING COLLEGE, GHAZIABAD

Curriculum Feedback from faculty of their expertise subject

Academic Year:- 2021-22

Name of the Department	:	Information Technology
Name of the Faculty	:	Dr. Anu Chaudhary
Name of the Programme	:	B.Tech
Name of the Course	:	DBMS

Please give your valuable feedback on curriculum to improve quality of the programme. Select your ranking on the scale of 1 to 5 for each of the following parameters.

(1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Feedback on Course	1	2	3	4	5
1	The learning objectives are clear and appropriate to the program.			3		
2	The course outcome are well defined and clear			3		
3	The curriculum and syllabus are well organized and suitable to the program.				4	
4	The Text Books/Reference Books are well suited to the course.				4	
5	How do you rate the distribution of contact hours among the course components?				4	
6	The curriculum has a good balance between theory and practical.			3		
7	Freedom to propose ,modif,suggest and incorporate new topics in the syallbus		2			
8	Institute provide adeuate funding and support to faculty members for upgrading their skills and qualification				4	
9	The syallbus is as per industry need			3		
11	The syllabus offers research possibilities		2			

Suggestions for further Improvement
Syllabus is well defined, and Organized in Proper Sequence as per understanding of Topic

Academic Year:- 2021-22

Department -CIVIL ENGINEERING

Analysis of faculty feedback form

This feedback form is intended to collect information relating to faculty satisfaction towards the curriculum.

Grading Range:- (1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Name of the Faculty	1 The learning objectives are clear and appropriate to the program.	2 The course outcome are well defined and clear	3 The curriculum and syllabus are well organized and suitable to the program	4 The Text Books/Reference Books are well suited to the course.	5 How do you rate the distribution of contact hours among the course components?	6 The curriculum has a good balance between theory and practical.	7 Freedom to propose ,modif,suggest and incorporate new topics in the syallbus	8 Institute provide adeuate funding and support to faculty members for upgrading their skills and	9 The syallbus is as per industry need	10 The syllabus offers research possibilities	**Total**
1	NIKITA JAISWAL	4	4	3	3	3	4	3	5	5	5	39
2	ANIMESH RAI	4	5	5	5	4	5	3	4	5	4	44
3	PRIYANK SRIVASTAVA	3	4	4	4	3	4	3	4	4	3	36
4	ASHISHH VISHWAKARMA	4	4	5	5	4	4	5	5	4	4	44
5	KSHAMA SHUKLA	5	5	3	4	4	5	3	5	5	4	43
6	ANUBHA GUPTA	4	4	5	5	1	4	4	4	5	2	38
7	ANUBHA GUPTA	4	4	5	5	2	5	4	4	3	2	38
8	ATRI TYAGI	5	5	4	5	5	4	4	5	5	5	47
9	ANCHAL NEGI	4	5	5	5	5	4	4	5	5	5	47
10	NIKITA JAISWAL	4	4	4	4	4	4	5	5	4	4	42

Feedback Analysis	60% of faculty members are satisfied with the curret curriculum of university & 40% are not satisfied yet.
Action Taken	To fill the Gap blw, we plan to adopt more Industrial visits, FDPs, guest lectures etc.

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

- What was the most useful aspect of your **B.TECH Programme.**

The most useful aspect of my B.Tech programme was learning various educational & non -

Educational life lessons that are going to be explored in future.

- What can the Faculty do to facilitate your career development?

Already, faculties are doing various things that facilitates our career development.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

No

- Any recommendations for supplementing the placement process.

Everything was just awesome except placement in CE. Placements in CE need to be enhanced.

Please provide a brief biography ***(please use a separate sheet if necessary)*** and provide a photograph in the space provided (electronic or otherwise):

Hey, I am Diwakar Chaudhary. I belong to Siddhartha Nagar district of Uttar Pradesh. After completing my High School in 2016 from UP Board. I went Barabanki (near to LKO) to pursue my Diploma in Civil Engineering. I completed my Diploma in CE in 2019 from BTEUP. After that I went Ghaziabad to Pursue my B.tech in Civil Engineering from AKGEC Ghaziabad. And I completed it in 2022.

DIWAKAR CHAUDHARY

Feedback Analysis	**The syllabus offers reserch possibilities.**
Action Taken	Department focused more on research, so that students will be benefited. Department has undergone the practice of video recording and sharing it with students through institute channels and also through other online media.

Academic Year:- 2021-22

Name of the Department	:	ECE
Name of the Faculty	:	Himanshu Nagpal
Name of the Programme	:	B.Tech ECE
Name of the Course	:	Antenna & Wave Propagation

Please give your valuable feedback on curriculum to improve quality of the programme.
Select your ranking on the scale of 1 to 5 for each of the following parameters.

(1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Feedback on Course	1	2	3	4	5
1	The learning objectives are clear and appropriate to the program.				✓	
2	The course outcome is well defined and clear				✓	
3	The curriculum and syllabus are well organized and suitable to the program.		✓			
4	The Text Books/Reference Books are well suited to the course.				✓	
5	How do you rate the distribution of contact hours among the course components?			✓		
6	The curriculum has a good balance between theory and practical.				✓	
7	Freedom to propose, modify,suggest and incorporate new topics in the syllabus				✓	
8	Institute provide adequate funding and support to faculty members for upgrading their skills and qualification				✓	
9	The syllabus is as per industry need			✓		
10	The syllabus offers research possibilities			✓		

Suggestions for further Improvement
Make a separate syllabus for EMFT and Antenna & Wave Propagation. As current syllabus, consist of both EMFT and Antennas

- Major Accomplishments (brief description):

- Specify tools/ Technologies learnt /used during job.

- Specify the size of the team you have worked with or currently working.

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

Yes , alumini gave motivation and guidance to choose career.

- What was the most useful aspect of your **B.TECH Programme.**

B.tech program provided me technical and professional vision regarding my stream .

- What can the Faculty do to facilitate your career development?

Mini training module at each semester can be implemented and a career council and guidance program can be initiated from initial semesters since students are confused .

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

Real industry visits and guidance portal or council sgould have been timplemented.

- Any recommendations for supplementing the placement process.

Please provide a brief biography ***(please use a separate sheet if necessary)*** and provide a photograph in the space provided (electronic or otherwise):

___Myself Mohit kumar student of ECE batch 2018-2022 is optimistic in life .i want to pursue my career in the core of electronics for which i am preparing for different exams .

Please provide a brief biography ***(please use a separate sheet if necessary)*** and provide a photograph in the space provided (electronic or otherwise):

I have decent knowledge and working proficiency of JAVA, HTML & CSS and theoretical knowledge of SQL and have specialised in the core languages of my branch (ECE) like Vlsi, Matlab and tcad.My branch requires me to work both on hardware and software. I have worked arduino bots too using both ECE and CS/IT skills.

As far as community work is concerned..I have been in the teaching profession for a very long time now. From teaching the BPL kids from the villages near my town to being part of the initiatives by Milan foundation, the lets teach English organisation and being a member of slum swaraj foundation.

I have always been an admirer of language and love being multilingual. My German is quite sufficed and currently I am working on French

EMPLOYMENT HISTORY:		
Are you currently Employed?	Yes □ Yes No□	
Employment Period From/To	Industry/Organization	Positions/ Held
From 27-01-2022 to 27-06-2022	Workattech technologies Pvt. Ltd.	SDE Intern
From 22-09-2022(tentative)	Cognizant	Programmer Analyst Trainee

- Major Accomplishments (brief description):
- Specify tools/ Technologies learnt /used during job.

- Migrated entire codebase from jQuery to JavaScript in order to reduce the loading time of the website.
- Developed API specifications for the backend APIs.

- Specify the size of the team you have worked with or currently working.

- Developer Team of Workattech Technologies Pvt. Ltd – 5 member (Based in Bangalore)

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

- Have not had an alumni meet yet.

- What was the most useful aspect of your **B.TECH Programme.**

- Understanding my strengths and putting efforts into making them my niché.
- Using BTech programme to hone my personality with a problem solving approach.

- What can the Faculty do to facilitate your career development?

- Understand the needs of the existing students when it comes to the layout of programme.
- Be a point of hope for them rather than unnecessary pressure that bears no results.
- Co-curricular activities hone a student's personality.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

- Yes. Providing the student flexibility in the time table to ensure they get time to pursue their individual aspirations.
- Students should be supported by the management in giving time to those who want to do freelancing, internships. Only students can increase their own skills with their own interests.

- Any recommendations for supplementing the placement process.

- I would urge the college to start bringing companies for internship in the 6th semester beyond which students can avail the Pre placement offers.
- If the college cannot do this, then they should allow the students to pursue their individual internships (which they get on their own) in the 7th semester with flexibility to college timings.

Please provide a brief biography ***(please use a separate sheet if necessary)*** and provide a photograph in the space provided (electronic or otherwise):

My name is Mohammad Arham Imam. My father is Principal at SGM medical college. My mother is a CDPO in ICDS. I have an elder sibling.

Education: I have passed my 10th standard from Shah Fair Public School, Ghazipur and 12th from Sunbeam School Varuna. I have completed my Electronics and communication engineering degree from Ajay Kumar Garg Engineering College, Ghaziabad. I have been in student bodies in school and actively involved in clubs and societies in the college.

Work: I am currently under training with Cognizant.

ALUMNI FEEDBACK FORM

PERSONAL INFORMATION:			
Name:	Anushka Varshney		
Address:	Krishna Collection , Chhipeti Mod ,Umraoganj ,Atrauli (Aligarh)		
Date Of Birth:	05/08/2001		
Sex:	Male☐ Female☑		
Telephone Contact/s : 9720604967		e-mail: anushka1840117@akgec.ac.in	
EDUCATION (Undergraduate/Postgraduate): Undergraduated			
STUDENT NO: 1840117			
Degree Option(s):	Tick against correct option	Year of Graduation	Class /%age of Degree
B.TECH Programme	✓	2022	79
M.TECH Programme			

EMPLOYMENT HISTORY:		
Are you currently Employed?	Yes ☑ No☐	
Employment Period From/To	Industry/Organization	Positions/ Held
03/03/2022	PWC Acceleration Centre	Associate

- Major Accomplishments (brief description):

Converted from Intern to Associate

- Specify tools/ Technologies learnt /used during job.

Cloud technologies, AWS

- Specify the size of the team you have worked with or currently working.

5

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

- What was the most useful aspect of your **B.TECH Programme.**

Learning about new technologies and skills which is very helpful for my learning and for build my confidence.

- What can the Faculty do to facilitate your career development?

They can show a right path to us by sharing their experiences

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

Practical classes should be held more than theoretical classes.

- Any recommendations for supplementing the placement process.

Their should be the classes for reasoning and aptitude solving which will very helpful for the placements.

Please provide a brief biography ***(please use a separate sheet if necessary)*** and provide a photograph in the space provided (electronic or otherwise):

I am Anushka Varshney I have completed my undergraduation this year. I am very happy for that I am working in a big four firm which is PWC(Price waterhouse coopers) . I am working as a associate in the company.

ELECTRICAL & ELECTRONICS ENGINEERING

AJAY KUMAR GARG ENGINEERING COLLEGE. GHAZIABAD

Academic Year:- 2021-22

Department - EN

Analysis of faculty feedback form

This feedback form is intended to collect information relating to faculty satisfaction towards the curriculum.

Grading Range:- (1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Name of the Faculty	1	2	3	4	5	6	7	8	9	10	
		The learning objectives are clear and appropriate to the program.	The course outcome are well defined and clear	The curriculum and syllabus are well organized and suitable to the program.	The Text Books/Reference Books are well suited to the course.	How do you rate the distribution of contact hours among the course components?	The curriculum has a good balance between theory and practical.	Freedom to propose ,modif,suggest and incorporate new topics in the syallbus	Institute provide adeuate funding and support to faculty members for upgrading their skills and qualification	The syallbus is as per industry need	The syllabus offers research possibilities	Total
1	DR. ANIL KUMAR RAI	2	3	3	3	3	3	3	4	2	2	28
2	DR. SUKHWINDER SINGH DHILLON	4	5	5	5	5	5	5	5	5	5	49
3	DR. SARIKA KALRA	5	5	5	5	4	4	3	4	3	3	41
4	DR. VANI BHARGAVA	5	5	4	5	5	5	5	5	4	5	48
5	MR. RITESH SHARMA	5	5	4	3	4	1	4	5	5	1	37
6	MS. NAV JYOTI SHARMA	5	5	5	5	4	4	5	5	5	3	46
7	MS. NIDHI SINGH	5	5	5	5	5	5	4	5	2	2	43
8	MR. PARVEEN KUMAR DHULL	5	4	4	4	4	4	1	5	3	5	39
9	MR. DEEPAK NARANG	4	4	5	5	5	5	2	3	3	5	41
10	MS. NUPUR MITTAL	4	5	5	5	5	5	5	5	4	4	47
11	MR. MAHENDRA DUTT DWIVEDI	5	5	5	4	5	1	2	4	4	4	39
12	MR. NEERAJ GUPTA	4	4	5	5	4	4	4	3	3	4	40
13	MR. HARSH MOHAN SHARMA	5	5	5	5	4	5	4	5	4	4	46
14	DR. DIBYA BHARTI	2	1	3	2	4	2	3	4	3	3	27
15	MR. SHANI KUMAR PANDEY	5	5	4	5	4	4	4	5	4	3	43
		65	66	67	66	65	57	54	67	54	53	

Feedback Analysis	The curriculum needs to be more Industry & research oriented and more practicals should be added. However, it is also felt that there should be flexibility for revision and modification of the syllabus.
Action Taken	To provide an industry oriented syllabus, the students are encouraged to take trainings in the centre of excellence of the college for which additional slots have been created in the time table. Guest lectures and industry visits are scheduled to develop a industry and research oriented environment. The faculty members are encouraged to give their reviews on the syllabus and convey the same to the affiliating University through registrar office.

Dr. Hemant Ahuja.

Name of the Programme	:	B. Tech
Name of the Course	:	Electrical Machine - II (Old) KEE - 503

Please give your valuable feedback on curriculum to improve quality of the programme. Select your ranking on the scale of 1 to 5 for each of the following parameters.

(1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Feedback on Course	1	2	3	4	5
1	The learning objectives are clear and appropriate to the program.					✓
2	The course outcome are well defined and clear					✓
3	The curriculum and syllabus are well organized and suitable to the program.					✓
4	The Text Books/Reference Books are well suited to the course.					✓
5	How do you rate the distribution of contact hours among the course components?				✓	

6	The curriculum has a good balance between theory and practical.				✓	
7	Freedom to propose ,modif,suggest and incorporate new topics in the syallbus			✓		
8	Institute provide adeuate funding and support to faculty members for upgrading their skills and qualification				✓	
9	The syallbus is as per industry need			✓		
11	The syllabus offers research possibilities			✓		

Suggestions for further Improvement
Some Sqi Sy. should be more industrial oriented.

Analysis of student feedback form

This feedback form is intended to collect information relating to student satisfaction towards the curriculum.

Grading Range:- (1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Name of the student	1 Syllabus is compatible with the course	2 Aims and objectives of the syllabi are well defined and clear to teachers and students	3 Course content is followed by corresponding reference materials.	4 The syllabus has good balance between theory and application.	5 The syllabus has made me interested in the subject area.	6 The syllabus covers Advanced topics	7 Syllabus is industry oriented	8 Learning value(In terms of Skills, Concepts, Knowledge, Analytical Abilities, or Broadening Perspectives)	9 The recommended text books are available and mao onto the syllabus and the allocation of credits to the course is followed in a proper way	10 Size of syllabus in terms of load on the students is maintained.	Total
1	Priyanshu Pandey	4	4	5	4	5	3	3	4	5	4	
2	Rishit Kumar Gupta	4	5	3	4	5	4	4	5	4	5	
3	Anant Jain	4	3	3	4	4	4	1	2	5	5	
4	Aryan Bajpai	4	4	4	3	4	3	4	5	4	3	
5	Sarthak Singh	4	4	5	4	4	5	4	3	4	3	
6	Parth Suyal	4	4	4	3	4	4	3	4	4	4	
7	Aniket Gangwar	3	4	4	3	4	3	2	3	3	2	
8	Vikas Kushwaha	5	4	4	4	4	3	3	4	4	5	
9	Shivendra Singh	4	5	4	3	5	3	4	5	5	4	
10	Nupur Tomer	1	1	1	1	1	5	5	1	5	5	
		37	38	37	33	40	37	33	36	43	40	

Feedback Analysis	Curriculum needs to be more industry oriented and case study based. More practicals would be added so that students get connected to the syllabus and find it more interesting.
Action Taken	To provide better connectivity with syllabus and industry, guest lecture are organised by industrial employers/academicians. The students are encouraged to take trainings in centre of excellence of the college and students are motivated to join NPTEL courses/module.

Yes, it was really very good and interesting.

- What was the most useful aspect of your **B.TECH Programme.**

The quality of education and attention given on the students by the faculty members of Departments.

- What can the Faculty do to facilitate your career development?

If a good guidance towards the future opportunities given to us, that will be very helpful.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

More practicals should be conducted during the programme.

- Any recommendations for supplementing the placement process.

I think the placement team was good enough so no changes.

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.					✓
Problem analysis using engineering principles.					✓
Design and development of solutions.					✓
Conduct investigations of complex problems.					✓
Usage of hardware/software tools and software.					✓
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.					✓
Understand the impact of the professional engineering solutions on society and environment.					✓
Commitment towards professional ethics, responsibilities and norms of the engineering practice.					✓
Function effectively as an individual, and as team member or leader.					✓
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.					✓
Demonstration of engineering and management principles in multidisciplinary environments.					✓
Engage in independent and life-long learning in the broadest context of technological changes.					✓
Analyze real world engineering problems in the field of ECE					✓
Design and develop systems/processes based on core concepts of ECE.					✓

Please provide a brief biography *(please use a separate sheet if necessary)* and provide a photograph in the space provided (electronic or otherwise):

I am Vipul Maddhesia, a student of EN-2, I am very highly motivated and hardworking individual who is very sincere towards his work and always punctual. I am good at technical as well as communication skills.

ALUMNI FEEDBACK FORM

PERSONAL INFORMATION:			
Name:	SHIVENDRA SHUKLA		
Address:	K-332 WORLD BANK BARRA KANPUR		
Date of Birth:	12-07-99		
Sex:	Male☑ Female☐		
Telephone Contact/s : 7905534237		e-mail: inspiretoshivendra@gmail.com	

EDUCATION (Undergraduate/Postgraduate):			
STUDENT NO: 1721103			
Degree Option(s):	Tick against correct option	Year of Graduation	Class /%age of Degree
B.TECH Programme	✓	2021	Ist/87
M.TECH Programme			

EMPLOYMENT HISTORY:		
Are you currently Employed?	Yes ☑ No☐	
Employment Period From/To	Industry/Organization	Positions/ Held
Sept 2021 to till date	IT / HCL Tech Ltd.	Software Engineer.

- Major Accomplishments (brief description):

Got Certification in AWS & .NET

- Specify tools/ Technologies learnt /used during job.

.NET / AWS (Beginner)

- Specify the size of the team you have worked with or currently working.

82

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

—

- What was the most useful aspect of your **B.TECH Programme.**

Understanding of technology used in market or trending technology, behaviour change

- What can the Faculty do to facilitate your career development?

In our case or in our college most useful faculty is TIFAC Core.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

Data Science should also be in Electrical Engineering.

- Any recommendations for supplementing the placement process.

I would like to recommend student should be given exposure according to market technology.

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.				✓	
Problem analysis using engineering principles.				✓	
Design and development of solutions.				✓	
Conduct investigations of complex problems.		✓			
Usage of hardware/software tools and software.		✓			
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.			✓		
Understand the impact of the professional engineering solutions on society and environment.			✓		
Commitment towards professional ethics, responsibilities and norms of the engineering practice.				✓	
Function effectively as an individual, and as team member or leader.				✓	
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.					✓
Demonstration of engineering and management principles in multidisciplinary environments.				✓	
Engage in independent and life-long learning in the broadest context of technological changes.				✓	
Analyze real world engineering problems in the field of ECE			✓		
Design and develop systems/processes based on core concepts of ECE.			✓		

Please provide a brief biography *(please use a separate sheet if necessary)* and provide a photograph in the space provided (electronic or otherwise):

As I already written my name is Shivendra Shukla. So during my college times I participated in my events. So I got best innovation award and best design award in Imagine to Innovate Asian E-bike Challenge in Andhra Pradesh.

(Signature of the student)

Apart from this I have one sibling and I am passionate about chess and badminton. As far as my career is concerned I am happy to working in HCL Tech. Ltd as a software Engineer.

Thank you ☺

MECHANICAL ENGINEERING

AJAY KUMAR GARG ENGINEERING COLLEGE, GHAZIABAD

Academic Year:- 2021-22 Department - ME

Analysis of faculty feedback form

This feedback form is intended to collect information relating to faculty satisfaction towards the curriculum.

Grading Range:- (1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Name of the Faculty	1	2	3	4	5	6	7	8	9	10	
		The learning objectives are clear and appropriate to the program.	The course outcome are well defined and clear	The curriculum and syllabus are well organized and suitable to the program.	The Text Books/Reference Books are well suited to the course.	How do you rate the distribution of contact hours among the course components?	The curriculum has a good balance between theory and practical.	Freedom to propose ,modif,suggest and incorporate new topics in the syallbus	Institute provide adeuate funding and support to faculty members for upgrading	The syallbus is as per industry need	The syllabus offers research possibilities	**Total**

Programme : B. Tech
Branch : Mechanical engineering
Section : ME-2
Mobile No : 8287002413 E-mail: deepanshu1940206@akgec.ac.in

This form is intented to collect the feedback related to your satisfaction towards the curriculum. This information provided by you will be used as an improtant feedback quality improvement of the curriculum.

(1- strongly disagree, 2- Disagree, 3- Neither Agree nor disagree, 4- Agree, 5- Strongly Agree)

Sr. No.	Feedback on Course	1	2	3	4	5
1.	Syllabus is compatible with the course				✓	
2.	Aims and objectives of the syllabi are well defined and clear to teachers and students					✓
3.	Course content is followed by corresponding reference materials.				✓	
4.	The syllabus has good balance between theory and application.				✓	
5.	The syllabus has made me interested in the subject area.			✓		
6.	The syllabus covers Advanced topics		✓			
7.	Syllabus is industry oriented		✓			
8.	Learning value(In terms of Skills, Concepts, Knowledge, Analytical Abilities, or Broadening Perspectives)			✓		
9.	The recommended text books are available and mao onto the syllabus and the allocation of credits to the course is followed in a proper way				✓	
10.	Size of syllabus in terms of load on the students is maintained.		✓			

Other Suggestions(If Any): Only 1 unit was covered in A month and only 20-Days left for PUT and UT examination. How 4 unit will be covered in such short period. My suggestion is that the time mangement with the syllabus covered can be improved.

Deepanshu

M.TECH Programme			

EMPLOYMENT HISTORY: Byju's.		
Are you currently Employed?	Yes ☐	No☑
Employment Period From/To	Industry/Organization	Positions/ Held
18/08/21/15/05/22	BYJU	Business development Associate

- Major Accomplishments (brief description):

Punched 6 million worth revenue in 9 months.

- Specify tools/ Technologies learnt /used during job.

LeadSquared

- Specify the size of the team you have worked with or currently working.

16 people

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

Didn't attend

- What was the most useful aspect of your **B.TECH Programme.**

Personality development

- What can the Faculty do to facilitate your career development?

Teach.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

More practical learning

- Any recommendations for supplementing the placement process.

Need more companies for the Mech dept.

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.			✓		
Problem analysis using engineering principles.			✓		
Design and development of solutions.				✓	
Conduct investigations of complex problems.				✓	
Usage of hardware/software tools and software.				✓	
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.				✓	
Understand the impact of the professional engineering solutions on society and environment.			✓		
Commitment towards professional ethics, responsibilities and norms of the engineering practice.		✓			
Function effectively as an individual, and as team member or leader.					✓
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.				✓	
Demonstration of engineering and management principles in multidisciplinary environments.		✓			
Engage in independent and life-long learning in the broadest context of technological changes.				✓	
Analyze real world engineering problems in the field of [illegible] IME			✓		
Design and develop systems/processes based on core concepts of [illegible] IME			✓		

Please provide a brief biography *(please use a separate sheet if necessary)* and provide a photograph in the space provided (electronic or otherwise):

	Insert Photograph here:

- Any recommendations for supplementing the placement process.

-

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.					✓
Problem analysis using engineering principles.				✓	
Design and development of solutions.					✓
Conduct investigations of complex problems.					✓
Usage of hardware/software tools and software.					✓
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.					✓
Understand the impact of the professional engineering solutions on society and environment.					✓
Commitment towards professional ethics, responsibilities and norms of the engineering practice.					✓
Function effectively as an individual, and as team member or leader.					✓
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.				✓	
Demonstration of engineering and management principles in multidisciplinary environments.				✓	
Engage in independent and life-long learning in the broadest context of technological changes.				✓	
Analyze real world engineering problems in the field of ECE IME				✓	
Design and develop systems/processes based on core concepts of ECE. IME					✓

Please provide a brief biography *(please use a separate sheet if necessary)* and provide a photograph in the space provided (electronic or otherwise):

My self Naman Gupta and I Completed My graduation from Ajay Kumar Garg Engg. College and Born in Ghaziabad.

Personality development classes

- What can the Faculty do to facilitate your career development?

Provide insights about latest industry trends.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

Web development is also essential

- Any recommendations for supplementing the placement process.

Greater no. of students to be motivated.

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.				✓	
Problem analysis using engineering principles.				✓	
Design and development of solutions.				✓	
Conduct investigations of complex problems.					✓
Usage of hardware/software tools and software.			✓		
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.				✓	✓
Understand the impact of the professional engineering solutions on society and environment.					✓
Commitment towards professional ethics, responsibilities and norms of the engineering practice.				✓	
Function effectively as an individual, and as team member or leader.				✓	
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.				✓	
Demonstration of engineering and management principles in multidisciplinary environments.					✓
Engage in independent and life-long learning in the broadest context of technological changes.				✓	
Analyze real world engineering problems in the field of [illegible] IME				✓	
Design and develop systems/processes based on core concepts of [illegible] IME					✓

Please provide a brief biography *(please use a separate sheet if necessary)* and provide a photograph in the space provided (electronic or otherwise):

I Kunal Tyagi have Studied Mechanical engineering from AKG. And College helped me understanding my goal. Currently I am working as a programmer Analyst at Cognizant.

Degree Option(s):	Tick against correct option	Year of Graduation	Class /%age of Degree
B.TECH Programme	✓	2022	82.9%
M.TECH Programme			

EMPLOYMENT HISTORY:		
Are you currently Employed?	Yes ☑	No ☐
Employment Period From/To	Industry/Organization	Positions/ Held
2022 -	Byju's	Academic Specialist.

- Major Accomplishments (brief description): Throughout 4 years, worked with team SAE, became PR Head of SAE-AKGEC.
- Specify tools/ Technologies learnt /used during job. Welding, CNC Machining, 3-D CAD designing.
- Specify the size of the team you have worked with or currently working.

15-25 members.

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

Yes, Got to know about different career Options.

- What was the most useful aspect of your **B.TECH Programme.**

Learnt variety of different Subjects

- What can the Faculty do to facilitate your career development?

Participation of students to different Engineering competitions.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

- Any recommendations for supplementing the placement process.

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.					✓
Problem analysis using engineering principles.					✓
Design and development of solutions.					✓
Conduct investigations of complex problems.					✓
Usage of hardware/software tools and software.					✓
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.					✓
Understand the impact of the professional engineering solutions on society and environment.					✓
Commitment towards professional ethics, responsibilities and norms of the engineering practice.					✓
Function effectively as an individual, and as team member or leader.					✓
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.					✓
Demonstration of engineering and management principles in multidisciplinary environments.					✓
Engage in independent and life-long learning in the broadest context of technological changes.					✓
Analyze real world engineering problems in the field of ECE, IME				✓	
Design and develop systems/processes based on core concepts of ECE, IME			✓		

Please provide a brief biography ***(please use a separate sheet if necessary)*** and provide a photograph in the space provided (electronic or otherwise):

I am student of Akgec mechanical Engineering. I tried to learn different subjects and concepts during my B Tech. Teachers and my colleagues helped me a lot in doing so.

Degree Option(s):	Tick against correct option	Year of Graduation	Class /%age of Degree
B.TECH Programme	✓	2022	83.4
M.TECH Programme			

EMPLOYMENT HISTORY:		
Are you currently Employed?	Yes ☐	No☑
Employment Period From/To	Industry/Organization	Positions/ Held

- Major Accomplishments (brief description):

- Specify tools/ Technologies learnt /used during job.

- Specify the size of the team you have worked with or currently working.

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

—

- What was the most useful aspect of your **B.TECH Programme.**

Knoledge of Core Mechanical Subjects.

- What can the Faculty do to facilitate your career development?

They can teach us more about tools used in industry.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

More tours should be Given to Practical tools.

- Any recommendations for supplementing the placement process.

NO

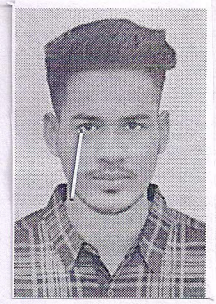

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.				✓	
Problem analysis using engineering principles.					✓
Design and development of solutions.				✓	
Conduct investigations of complex problems.				✓	
Usage of hardware/software tools and software.					✓
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.					✓
Understand the impact of the professional engineering solutions on society and environment.				✓	✓
Commitment towards professional ethics, responsibilities and norms of the engineering practice.				✓	
Function effectively as an individual, and as team member or leader.				✓	
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.					✓
Demonstration of engineering and management principles in multidisciplinary environments.				✓	
Engage in independent and life-long learning in the broadest context of technological changes.					✓
Analyze real world engineering problems in the field of ME				✓	
Design and develop systems/processes based on core concepts of ME.				✓	

Please provide a brief biography *(please use a separate sheet if necessary)* and provide a photograph in the space provided (electronic or otherwise):

As a person, I have been very humble also have tried to do well in various fields with alot of extreme compassion to all of my collegues and beloved ones.

ALUMNI FEEDBACK FORM

PERSONAL INFORMATION:			
Name:	Utkarsh Gautam		
Address:	268; Brahmpuri, Muzaffarnagar		
Date of Birth:	08/09/2002		
Sex:	Male☐✓ Female☐		
Telephone Contact/s : 7819003736		e-mail: Sh.utkarsh08@gmail.com	
EDUCATION (Undergraduate/Postgraduate): UG			
STUDENT NO: 1840155			
Degree Option(s):	Tick against correct option	Year of Graduation	Class /%age of Degree
B.TECH Programme	✓	2022	74.5%
M.TECH Programme			

EMPLOYMENT HISTORY:		
Are you currently Employed?	Yes ☐✓ No☐	
Employment Period From/To	Industry/Organization	Positions/ Held
1-2-2022 to continue	Jakson Group	Distribution Energy Department (Engineer)

- Major Accomplishments (brief description):

Product Designer and Market Research

- Specify tools/ Technologies learnt /used during job.

Market Research on Renewable energy

- Specify the size of the team you have worked with or currently working.

02

- Was the Alumni meet useful? Briefly mention the benefits of this interaction.

Yes, it was. ☺ Guidance for future.

- What was the most useful aspect of your B.TECH Programme.

Learn about Product Design and Rapid Prototyping

- What can the Faculty do to facilitate your career development?

Everything is in a good manner, already.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your B.TECH Programme.

N/A

- Any recommendations for supplementing the placement process.

N/A

- Please give self assessment scores between 1 to 5 for the attainment of the following outcomes.

OUTCOMES	1 (LOW)	2	3	4	5 (HIGH)
Apply knowledge to find solutions of complex engineering problems.				✓	
Problem analysis using engineering principles.				✓	
Design and development of solutions.			✓		
Conduct investigations of complex problems.				✓	
Usage of hardware/software tools and software.			✓		
Applying engineering knowledge in context with societal, health, safety, legal and cultural issues.					✓
Understand the impact of the professional engineering solutions on society and environment.				✓	
Commitment towards professional ethics, responsibilities and norms of the engineering practice.					✓
Function effectively as an individual, and as team member or leader.				✓	
Comprehend and write effective reports and make effective presentations to communicate the gained knowledge.					✓
Demonstration of engineering and management principles in multidisciplinary environments.				✓	
Engage in independent and life-long learning in the broadest context of technological changes.				✓	
Analyze real world engineering problems in the field of [illegible] ME					✓
Design and develop systems/processes based on core concepts of [illegible]. ME				✓	

Please provide a brief biography *(please use a separate sheet if necessary)* and provide a photograph in the space provided (electronic or otherwise):

Name of the Faculty	:	Aman Gupta
Name of the Programme	:	MCA
Name of the Course	:	MCA

Please give your valuable feedback on curriculum to improve quality of the programme.
Select your ranking on the scale of 1 to 5 for each of the following parameters.

(1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Feedback on Course	1	2	3	4	5
1	The learning objectives are clear and appropriate to the program.					✓
2	The course outcome are well defined and clear					✓
3	The curriculum and syllabus are well organized and suitable to the program.				✓	
4	The Text Books/Reference Books are well suited to the course.				✓	
5	How do you rate the distribution of contact hours among the course components?			✓		
6	The curriculum has a good balance between theory and practical.			✓		
7	Freedom to propose ,modif,suggest and incorporate new topics in the syallbus				✓	
8	Institute provide adeuate funding and support to faculty members for upgrading their skills and qualification			✓		
9	The syallbus is as per industry need			✓		
11	The syllabus offers research possibilities			✓		

Suggestions for further Improvement

Analysis of student feedback form

This feedback form is intended to collect information relating to student satisfaction towards the curriculum.

Grading Range:- (1- Poor, 2- Satisfactory, 3- Good, 4- Very Good, 5- Excellent)

Sr. No.	Name of the student	1	2	3	4	5	6	7	8	9	10	
		Syllabus is compatible with the course	Aims and objectives of the syllabi are well defined and clear to teachers and students	Course content is followed by corresponding reference materials.	The syllabus has good balance between theory and application.	The syllabus has made me interested in the subject area.	The syllabus covers Advanced topics	Syllabus is industry oriented Learning value(in terms of Skills, Concepts, Knowledge, Analytical Abilities, or Broadening Perspectives)	The recommended text books are available and mao onto the syllabus and the allocation of credits to the course is followed in a	Size of syllabus in terms of load on the students is maintained.	**Total**
1	Shristy Katiyar	5	5	5	5	5	5	5	5	5	4	49
2	Aarifa Ansari	5	4	5	4	5	3	3	4	5	5	43
3	Mani Varshney	5	5	5	4	5	4	3	5	5	5	46
4	Rinky Mahour	5	5	5	5	4	4	5	5	5	5	48
5	Kanishka Panwar	5	4	5	4	5	3	3	4	5	5	43
6	Manu Bhardwaj	5	5	5	5	5	5	5	5	5	5	50
7	Arpit Tyagi	3	3	3	3	3	3	3	3	3	3	30
8	Varnita Srivastava	4	4	4	4	4	4	3	4	4	3	38
9	Divyanshu Goel	4	5	5	3	3	3	3	4	4	4	38
10	Shefali Manshani	5	5	5	5	5	5	4	5	4	5	48

Feedback Analysis	The average marks for all points lies between 4 to 5 i.e very good.
Action Taken	—

Faculty can guide us for upcoming and emerging technologies.

- Given your experience, is there any aspect of Engineering that you feel should have been covered in your **B.TECH Programme.**

- Any recommendations for supplementing the placement process.

Major Project should be thoroughly inspected as during the interviews most companies ask for the same.

Please provide a brief biography ***(please use a separate sheet if necessary)*** and provide a photograph in the space provided (electronic or otherwise):

My name is Kanishka Panwar and an alumni of Ajay Kumar Garg Engineering College. My highest degree is postgraduation via MCA with the aggregate of 8.99 CGPA.
After doing MCA, I got on-campus placement in Pricewaterhouse Coopers with the job profile of associate. Along with PwC, I was also selected for Infosys and Mphasis.
My hobby is to dance as it increases the quality of team work and concentration.
