Eco-Transportation Mechanism Policy

OBJECTIVES:

This policy aims to encourage faculty members, staff and students of Ajay Kumar Garg Engineering College, Ghaziabad to use green fuel and full electric vehicles inside the campus to offer incremental value and sustainable solutions to address fuel efficiency and climate change issues.

POLICY:

- (i) **College Buses**: Commonly referred to as the green fuel because of its lead and sulphur free character, CNG reduces harmful emissions. CNG bus facility has been provided by the college.
- (ii) **Electric Cart Vehicle (EV):** College has purchased an Electric Cart vehicle for movements of visiting guests inside the college.

College has a total of 12 drivers on its roll. All drivers are well experienced and efficient to drive all makes of vehicles. 02 drivers are exclusively for bus duties.

Allocating of Vehicles

There is a laid down procedure for allocating of college vehicles. The college designed vehicle requisition form is recommended by HoD/ Dean/ Section In-charge of the concerned department and send to Chief Admin officer at least one day prior to the vehicle requirement. Chief Admin officer allocates the vehicle as per availability and approval of Dean Administration is obtained. After the approval all these requisitions are sent to main gate and drivers are informed about their next day duty and timings.

The college has one well equipped ambulance apart from the hospital ambulance and same is manned round the clock in college. The college ambulance driver is provided free lodging and boarding in campus to man the ambulance 24 hours. Ambulance driver is also provided with mobile to attend uninterrupted calls. Ambulance is provided on call by warden/ faculty/ staff. Ambulance usages record is maintained in ambulance log book.
