This is to certify that

Rajneesh Kumar of B.Tech Computer Science- Hindi

has successfully completed a course on “**Project Based Learning**” and developed a mini project for course code: **BCC351** based on it during odd semester 2023-24 at Department of Computer Science & Engineering, Ajay Kumar Garg Engineering College, Ghaziabad.

During this course, the he/she maintains attendance above 75%. The student demonstrated self-motivation to learn new skills and was able to complete the internship projects on time.

We wish the student all the best for the future endeavors.
