

AJAY KUMAR GARG ENGINEERING COLLEGE GHAZIABAD

INFORMATION BOOKLET FOR ACADEMIC YEAR 2025-26

NAAC A++ Accredited

NBA Accredited B.Tech. Programs (CSE, EC, IT, ME, EN)

Approved by AICTE and Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow

DIRECTOR GENERAL

Dr. R.K. Agarwal has an exceptionally brilliant academic background with B.Tech from IIT Kanpur, M.S. from CIT, Cranfield, UK and Ph.D from IISc Bangalore. During his illustrious career of nearly three decades in the Indian Air Force and Defence Research & Development Organization (DRDO), he has held various key appointments including Chief Engineering Officer of an Operational Base, Director (Engg) at Air HQ and Project Director at Centre for Airborne Systems. His vast managerial, administrative, research and academic experience includes teaching assignments at Air Force Technical College and nine years of pioneering R&D work on the prestigious AWACS project in DRDO. He has also been a member of the Aeronautical Research & Development Board (ARDB) panel for approval and review of sponsored research projects at various centres of Excellence established at IITs and CSIR Laboratories. His name is also featured in the book “100 Great IITians” written by commander V K Jaitly.

He is the recipient of the coveted Royal Aeronautical Society (UK) Award for academic excellence at CIT and a citation with cash award by DRDO for his contribution to the design and development of Airborne Early Warning Aircraft, culminating in its maiden flight.

After taking voluntary retirement in 2004, Dr. Agarwal decided to contribute in the field of technical education and has been heading the college since then. He has been persistently working towards setting new benchmarks in academic excellence as well as industry–academia interface to make the students globally competitive and employable. During his tenure, the college has not only been consistently maintaining exceptional results and placements but has also made significant progress in research and industry relevant consultancy projects. A number of initiatives and collaborative ventures with eminent multi-national companies have led to establishment of many multi-disciplinary, high technology industry relevant facilities. These include India’s first Kuka Industrial Robotics Training Centre, NI-LabVIEW Academy, Bosch Rexroth Centre of Competence in Automation Technologies, Janatics Industrial Pneumatic Knowledge Centre, Siemens PLM Centre of Excellence and AIA Centre of Competence in Integrated Automation. The College has received various prestigious awards under his able guidance and leadership.

Dr. Agarwal has been working towards promoting industry academia collaborations in the region through deep involvement with various industrial associations and organizations like the Confederation of Indian Industries (CII) and Ghaziabad Management Association (GMA). He has been the President of GMA (2015-17), and Member of CII Western UP Zonal Council since 2012.

He has also contributed in bringing about a culture of corporate social responsibility in academic institutions. The social activities initiated by him include running a free primary school in the college, adopting a municipal corporation school in a nearby village, providing tuition fee subsidy to children of class IV employees, donating computers to spread computer literacy and generously contributing for relief work after natural calamities. He places special emphasis on all round development with focus on inculcating self-discipline, good moral values, ethics, work culture and a positive attitude to make the students not just competent professionals but also good citizens and responsible members of the society. His wide-ranging experience, vision and dynamism have infused inspiration and provided a road map for academic institutions to achieve the zenith of excellence in all fields of activities.

ABOUT THE COLLEGE

Ajay Kumar Garg Engineering College is an initiative of Indian Institute of Management and Engineering Society started in 1998, the institute has built an excellent faculty pool of experience and rich intellectual capital base, state-of-the-art infrastructure, technology savvy campus along with commitment towards excellence. The emphasis has been to build industry ready technocrats and develop sound academia-industry collaboration.

The college is approved by AICTE and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. The college has six Engineering Departments, offering B.Tech. programs in twelve disciplines. The college also offers postgraduate programs in Computer Application (MCA) and M.Tech. in four disciplines. All five major B.Tech. programs are accredited by NBA. The college strives for excellence and has been consistently maintaining excellent academic results and placements. The college has the distinction of being the first and only college in UP to receive the Academic Excellence Award for the Best Engineering College in UPTU (now AKTU) from H.E. the Governor of UP for two successive years. The college has been consistently having a large number of students in university merit lists. The College students have the honor of being awarded the Chancellor's Medal for highest marks across all B.Tech. programs for five consecutive years since the inception of this Award in 2016. The college places special emphasis on collaboration with industries to groom the students to meet the industry standards. The college has established a number of Centres of Excellence in collaboration with eminent multinational industries. The primary objective of these centres is to provide industry relevant training in inter-disciplinary state-of-art technologies as well as to promote applied research and industrial consultancy.

Spread over a 40-acre campus, the college has excellent infrastructure. The academic and administrative blocks, hostels and faculty residences surrounded by lush green lawns provide a conducive environment. In keeping with the college philosophy of environmental sustenance, the ecofriendly campus has a network of rainwater harvesting systems to recharge ground water and sewage treatment plants to recycle the water for horticulture needs. AKGEC has installed on-grid solar power systems of capacity of 330 kW by installing solar photovoltaic panels on the available roof area of academic complexes and hostels to facilitate harnessing of solar energy.

The main distinguishing features of the college have uniform transparent policies and systems as well as uncompromising honesty in every facet of its activities. The college believes in setting audacious goals and infusing fresh ideas to achieve them. Our alumni are known not only for their professional competence but also for their moral values, ethics and a sense of civic and social responsibility.

SCALING THE ZENITH OF EXCELLENCE

Driven by its commitment to provide quality technical education, Ajay Kumar Garg Engineering College has become the best Engineering Institution in Uttar Pradesh

HIGHLIGHTS

- Sprawling, eco-friendly, green, fully Wi-Fi-enabled campus spread over 40 acres with state-of-the-art infrastructure and facilities.
- The College has achieved an exceptional milestone by securing NAAC Accreditation with A++ Grade.
- Rated in the Diamond Category under QS I-Gauge – Indian College Ratings.
- The only self-financed institute in India to have established Center of Excellence in Additive Manufacturing.
- Established the AKGEC Drone Academy, a DGCA-approved Remote Pilot Training Organisation (RPTO).
- Established Center of Excellence in Electric Vehicles in collaboration with ISIE India and MG Motors.
- The only institution in Uttar Pradesh approved for setting up a Common Facility Center for the general engineering industry under the One District One Product (ODOP) scheme by the Government of Uttar Pradesh.
- Consistently excellent academic results, with a large number of students featuring in AKTU merit lists every year.
- Outstanding placements in reputed companies, public sector, and government organizations, with the highest package reaching Rs. 1.13 Crore.
- Recipient of the AKTU Chancellor's Medal for securing the highest marks across all branches for five consecutive years.
- Awarded the AKTU Gold Medal for topping all M.Tech programs two years in a row since the inception of the award.
- Winner of the AKTU Distinguished Alumnus Award for two consecutive years since its launch.
- Silver Medalist in the India Skills National Competition in Additive Manufacturing Skills.
- Honored with the Academic Excellence Award for Best Engineering College in UPTU (now AKTU) for two successive years, conferred by H.E., the Governor of Uttar Pradesh.
- Winner of the Best Industry-Institute Association Award by the Royal Academy of Engineering, UK.
- Awarded a 4-Star Rating by the Institutions' Innovation Council, Ministry of Education, Government of India.
- Recipient of prestigious STEM Awards for "Best Robot Lab Set-up" and "Best STEM College in India" by AICRA (All India Council for Robotics & Automation).
- Honored as the Best LabVIEW Academy in India by National Instruments.
- The only institution in Uttar Pradesh approved by DST, Government of India, for establishing a Center of Relevance and Excellence (CORE) in Industrial Automation and Robotics.
- Skill Development Centre established in collaboration with the National Skill Development Corporation (NSDC).

- Measurement and Metrology Centre accredited by the National Accreditation Board for Testing and Calibration Laboratories (NABL).
- Winner of the highest number of titles in the Smart India Hackathon (SIH 2022) nationwide; one of the AKGEC teams had the privilege to interact with Hon'ble Prime Minister Shri Narendra Modi.
- AKGEC Fab Lab selected by AICTE as one of the four mentor labs in India to train faculty and coordinators of 100 IDEA Labs across the country.
- Recognized by ASSOCHAM for excellence and awarded under the category of “Best Institute for Vocational & Skill Training” at Edu Meet & Education Awards 2023.

INFRASTRUCTURE

Academic Complex

The academic complex spanning over the main block, back block, lecture theatre block 1 and block 2, Mechanical Engineering block, CSE and IT block and the MCA block consists of fully furnished lecture halls (Air Conditioned) equipped with modern teaching aids, well equipped laboratories, computer Centre, library, seminar halls and faculty rooms to facilitate smooth conduct of programs in a befitting manner.

Library

The AKGEC Library System comprises of a Central Library, eight Departmental Libraries and five Hostel Libraries. The Central Library consists of two sections spread over 1465 Sq Mtrs with a total seating capacity for 344 users. Comfortable study space is provided for faculty, staff and students in the form of reading hall, study cubicles, digital library and faculty reading room.

The state-of-the-art facilities include KOHA Open Source Library Management Software which also has Web Based Online Public Access Catalogue (Web OPAC), Digital Library/Institutional Repository Server on DSpace software, Membership to DELNET and National Digital Library which has a collection of more than 6 Lac resources of Engineering, Science, Humanities available for use by all the stakeholders.

The Central Library of the college has an invaluable collection of text and reference books, journals and e-books, e-journals and a variety of multi-media resources. At present, the total number of titles and volumes are around one lac and forty-five thousand respectively. The library subscribes to over 505+ E-resources/International Journals, 38302 E-books and over 106 National Journals. The digital library has a diverse collection of over 7371 multimedia resources.

In addition to well-maintained Circulation and Reference Sections, the college has a rich Book Bank exclusively for students. The Departmental and Hostel libraries are managed and run by the respective departments and hostels with resources taken on loan from Central Library. All students, faculty and staff of the College are entitled to take membership and make use of the library facilities. Admission to the Central Library is through Identity/Library Card which is scanned at the entrance to keep record of the users. The library is under camera surveillance through ten

cameras that have been installed at various locations. The library attracts an average of 350 users on a regular working day. For more information, visit <https://akgec.ac.in/library>

Laboratories

The departments are well equipped with an array of highly advanced laboratories that are sufficiently equipped with the latest instruments and apparatus. The labs provide state-of-the-art platform to students through practical application of concepts. College provides modern and sophisticated laboratory facilities that are constantly upgraded. Faculty lab in-charges along with the lab assistants ensure regular updation and maintenance of the lab equipment.

A dedicated language lab, set up with 31 terminals and the latest software packages, is also available for the development of the students' communication skills.

Central Computing Facility

The college has state-of-the-art computing facilities with about 1800 computers networked through broadband for Internet access. Three computer centres equipped with the latest configuration computers serve as a central computing facility for the students. One computer centre is open for use by the students beyond college hours up to 9 PM. The academic and administrative blocks, hostels and the faculty residences are Wi-Fi enabled.

Hostels

The college provides well-furnished hostel accommodation to its students. The six campus hostels are spread over four complexes. The three girls hostel can accommodate about 650 students, the Junior Boys Hostel can accommodate about 300 students and is reserved for first year students and the Senior Boys Hostel Complex has two hostels to house about 600 students.

Each hostel complex has its separate mess with well equipped kitchen and dining area providing hygienic, nutritious and wholesome meals. Hostels have gymnasium as well as indoor and outdoor sports facilities which includes Table Tennis, Badminton Court, Basket Ball Court, Pool Tables, Volley Ball Court, Long/High Jump Pits, Kho Kho, Kabaddi, Football and Cricket grounds.

The hostels also have a TV room, computer center and library with magazines and fiction / general reading books. Hostels are equipped with eco-friendly solar water heating systems. Hostels also have canteens and provision stores for minor item of daily requirement. The hostels thus provide good levels of comfort, hygienic food, recreation facilities and an environment conducive for pursuit of academic and all round development. The entire hostels are Wi-Fi enabled and LAN facility in every room to individual students.

Healthcare Facilities

The college provides comprehensive medical facilities to the students at a very nominal charge. The students are provided free OPD at the RSG Indo German Hospital, a 60 bedded hospital with ICU, operation theatre and diagnostic facilities in the vicinity of the campus. A free medical check-

up is arranged for all the students at the time of joining the college. Ambulance facility is available, on call round the clock, in case of an emergency. In addition to these in-house medical facilities, the college procures Group Medclaim and Group Accidental Policy for all students.

Faith Centre

The college campus houses a serene Faith Centre dedicated to Goddess Saraswati, resembling lotus temple. The centre remains open for limited hours during daytime. With its peaceful ambiance and divine presence, it serves as sanctuary for spiritual reflection and connection with sacred.

Other Facilities

- Separate canteens in each block within college and in each hostel
- Utility shop in each hostel
- Stationary shop in the college
- ATM on campus

ACADEMIC PROGRAMS (Affiliated to Dr. A.P.J. Abdul Kalam Technical University, UttarPradesh, Lucknow)

Programs	Sanctioned Intake
<u>Bachelor of Technology (B. Tech)</u>4 year degree Program	
Computer Science and Engineering	180
Computer Science	150
Computer Science and Information Technology	120
Computer Science and Engineering (Artificial Intelligence & Machine Learning)	120
Computer Science and Engineering (Data Science)	120
Computer Science and Engineering (Hindi)	60
Information Technology	180
Electronics & Communication Engineering	180
Artificial Intelligence & Machine Learning	60
Mechanical Engineering	60
Electrical & Electronics Engineering	60
Civil Engineering	30
<u>Master of Technology (M. Tech)</u>2 year full time post graduate Program	
Computer Science & Engineering	18
Electrical and Electronics Engineering	18
Electronics & Communication Engineering	18
Mechanical Engineering	09
<u>Master of Computer Applications (MCA)</u>	
MCA (2 year full time post graduate program)	120

ADMISSION PROCEDURE

B. TECH AND MCA PROGRAMS

Admissions through UPTAC Counselling:

- For admissions to first year of B.Tech., a candidate must have passed (with/without grace) intermediate examination of U.P. Board or 10+2 level examination or its equivalent with compulsory subjects (Physics & Mathematics) and one of the optional subjects (Chemistry / Bio-technology / Biology / Technical Vocational subject) or passed (with/without grace) Diploma (in Engineering and Technology) examination.
- Candidates who have passed (with/without grace) three-year Engineering Diploma recognized by the Board of Technical Education, U.P. or three years B.Sc. degree from any recognized University with Mathematics as one of the subjects at XII standard, in any branch of Engineering (except Agriculture Engineering, Pharmacy and Architecture), are eligible for admission to B.Tech Second year (Lateral Entry) in any branch of Engineering/Technology.
- For admission to first year of MCA, a candidate must have passed (with/without grace) BCA/B.Sc./B.Com./B.A. of three years' minimum duration with Mathematics at 10+2 level from any recognized Indian University; or equivalent, recognized by A.I.U.

For criteria pertaining to requirement of minimum percentage of marks, reservation, domicile etc. please refer to UPTAC Information Brochure.

Direct Admissions at College Level:

Management quota seats shall be filled at institute level as per eligibility criteria stated in UPTAC Information Brochure. The seats of Management quota or vacant seats after counseling of UPTAC shall be filled strictly in following preference order:

- (i) Firstly, by the qualified candidates of JEE
- (ii) Secondly, by the merit of candidates in qualifying examination as laid down by All India Council of Technical Education (AICTE), New Delhi for admission to various programs which are updated from time to time.

M.TECH PROGRAMS

Admissions are done directly at the College level for M.Tech programs offered in the following branches:

- Computer Science and Engineering (CSE)
- Electrical and Electronics Engineering (EN)
- Electronics and Communication Engineering (ECE)
- Mechanical Engineering (ME).

To be eligible for admission, candidates must have successfully completed a B.Tech or B.E. degree in the relevant engineering discipline (or an MCA degree for M.Tech CSE) with a minimum aggregate of 60% marks.

The college offers a merit-based scholarship scheme to M.Tech Candidates, providing tuition fee waivers ranging from 25% to 100% based on the candidate's academic performance in the qualifying degree as per the following structure:

Marks in Qualifying Degree Scholarship

- $\geq 80\%$ ($\geq 75\%$ for AKGEC Alumni) 100% of tuition fee
- $\geq 75\%$ ($\geq 70\%$ for AKGEC Alumni) 75% of tuition fee
- $\geq 70\%$ ($\geq 65\%$ for AKGEC Alumni) 50% of tuition fee
- $\geq 65\%$ ($\geq 60\%$ for AKGEC Alumni) 25% of tuition fee

The fee structure is distributed semester-wise over the two-year program. The total amount payable depends on the scholarship awarded. To enhance practical learning, the college offers part-time internships during the second year of the program through its Centres of Excellence. These internships provide valuable industry-oriented experience along with a stipend of ₹10,000 per month. Additionally, the students are encouraged to present papers at international conferences, publish research work, and file patents. Financial support and incentives are provided for such scholarly contributions.

FEE REFUND NORMS

In case of cancellation of admission, fee will be refunded as per the AICTE notification and G.O. passed by the U.P. Government.

S. No	REQUEST FOR REFUND	REFUND
a.	Request received before start of session	Entire fee after deduction of Rs.1000/-
b.	Request received after joining the course and the vacated seat is consequently filled by another student by the last date of admission	Entire fee after deduction of Rs.1000/-
c.	Request received after start of session and vacated seat remains unfilled	Caution money only
d.	Request received after the last date of admission.	Caution money only

In case of withdrawal from hostel, only security and mess charges (for unutilized months) are refundable on a pro rata basis.

AFFILIATION AND ACCREDITATION

The College is affiliated to Dr. A.P.J. Abdul Kalam Technical University, Uttar Pradesh, Lucknow for all its programs.

Five of the College under graduate engineering programs - B. Tech CSE, B. Tech ECE, B. Tech EN, B. Tech IT and B. Tech ME are accredited by NBA.

The college has the highest NAAC Grading (A++)

The college is Rated under diamond category in QS-I Gauge – Indian College Ratings.

ACADEMIC PROCESSES

University Ordinance

The University Ordinance consists of all rules and regulations that govern the entire academic system of the University. The Ordinance for various programs is available on University website (aktu.ac.in) and students are expected to read it on a regular basis, so that they not only remember its salient features but also get aware of the updates taking place from time to time.

Semester Registration

Registration is an important part of effective academic coordination. It ensures the inclusion of student's name on the role list of each semester.

Every student is required to complete registration formalities at the beginning of each semester (Odd & Even) on dates specified by the College. Students are required to strictly adhere to the registration dates and processes, failing which, disciplinary actions may be initiated against them by the College. Each student is required to register in person himself / herself and start attending classes as per the time table from the date of commencement of classes.

Students will not be permitted to attend classes without registration and will be marked absent in the classes till he / she completes the registration process. No relaxation in attendance will be permitted on account of late registration.

Evaluation Scheme and Curriculum

The evaluation scheme and detailed curriculum for each semester are published by the University on its website (aktu.ac.in). The evaluation scheme includes the theory and lab courses to be studied by the student during the semester with the number of prescribed hours of teaching, internal and external marks and credits for each course.

Departmental electives from those listed by the University are offered by the Departments for the students in the parent Department and Open electives are offered by Departments for students of other Departments.

Time Table and Conduct of Classes

The classes, labs, seminars and project work, as specified in the evaluation scheme and syllabus published by the University on its website (aktu.ac.in), are conducted in accordance with the time table issued by each department.

Attendance

Attendance norms as prescribed by the University Ordinance are followed strictly for all courses. Besides these, students are required to follow the attendance norms detailed by the College through regular notices for various curricular and co-curricular activities.

Examination

During any semester, the students shall be appearing in internal and external examinations. The internal examinations include Sessional Test(s), stage two tests (STTs) and Pre-University Test (PUT) which along with attendance and teacher's assessment form the basis of calculation of final internal marks for the entire semester. In addition, Class Test-I and Class Test-II are conducted for the first year students. The external or end semester examinations are conducted by the University. Both University and College issue relevant circulars/notices at appropriate times regarding conduct of examinations and publish the date sheet.

The end semester examinations are conducted by the University at the end of each semester in accordance with the date sheet published by the University. The students are issued Admit Card by the University only on fulfillment of attendance and other norms required as per the ordinance of the University (available on aktu.ac.in). The students are required to appear for theory examinations at examination centres that are in other colleges and decided by the University. Students are advised to read carefully the norms for reporting time to examination centre, use of calculators, prohibitions, penalties imposed by the University for use of unfair means during examination and others as mentioned in the University Ordinance.

The students appear for the external practical examinations at their own college during period specified by the University. The examination is conducted by External Examiner appointed by the University in presence of Internal Examiner appointed by the College. The practical examination consists of written work related to the experiment(s) assigned to each student, conduct of experiment by the student and viva voce conducted by the External Examiner with marks for each of these.

Grant of Internal Marks

The internal marks for each theory course, as specified in the evaluation scheme of the University, are granted on the basis of internal tests, attendance and Teacher's Assessment.

The internal marks for each lab course are granted on the basis of continuous evaluation during each lab class, two viva voce conducted during the semester, maintenance of lab record on the experiments conducted and attendance during the semester.

Passing Marks and Promotion Norms to Next Semester/Year

B.Tech Program

Passing marks in a subject:

- (a) To pass in Theory Subject, a student must secure a minimum of 30% of the maximum marks prescribed by the University in the end semester examination and 40% of aggregate marks in the subject including sessional marks.
- (b) To pass in Practical/Internship/Project/Viva-voce examination, a student shall secure a minimum of 50% of the maximum marks prescribed by the University in the relevant Practical/Internship/Project/Viva-voce examination and 40% of marks in aggregate in the Practical/Internship/Project/Viva-voce including sessional marks.
- (c) To pass in subject which has only sessional component and no End semester exam component, such as Seminar, a student should secure a minimum of 40% of the maximum marks prescribed.
- (d) To pass in subject having Theory and Practical component, a student shall secure minimum of 30% of the maximum marks prescribed by the University in theory examination and 50% of marks in practical examination; in addition, the student must secure 40% of marks in the aggregate in the subject including theory exam, practical exam, theory sessional and practical sessional.

Promotion norms:

- a) There is no restriction for promotion from an odd semester to the next even semester.
- b) For promotion from even semester to the next odd semester (i.e. of the next academic year), the student must either clear all papers of any of the two semesters of an academic year or earn the credits greater than or equal to minimum of the total credits allocated to any of the two semesters of an academic year as given in the Evaluation Scheme of the University.
- c) In yearly result, a student shall be declared PASS (clear pass i.e., without any carry over paper) only if he/ she secures minimum passing marks in all the subjects and minimum Semester Grade Point Average (SGPA) of 5.0 in each semester of an academic year

MCA Program

Passing marks and promotion norms (From the session 2017-18 and onwards):

Passing marks in a subject:

- (a) To pass in Theory Subject, a student shall secure a minimum of 30% of the maximum marks prescribed in the end semester University examination and 40% of the aggregate marks in the subject including sessional marks.

(b) To pass in Practical/Project/Viva-voce examination, a student must secure a minimum of 50% of the maximum marks prescribed in the end semester University Examination in the relevant Practical/Project/Viva-voce and 40% of the aggregate marks in the Practical/Project/Viva-voce including sessional marks.

Promotion norms:

- (a) There shall not be any restriction for promotion from an odd semester to the next even semester.
- (b) For promotion to next academic year student should either completed clear all the subject of any of the semester of an academic year or earn the credit greater than or equal to the minimum credits of either of the semester of that academic year promotion from even semester to the next odd semester (i.e. of the nest academic year)
- (c) The result of the semester shall be declared PASS (clear pass i.e., without any carry over paper) only on securing minimum passing marks in all subjects and minimum Semester Grade Point Average (SGPA) of 5.0 in each semester of an academic year.

M.Tech Program

Passing marks and promotion norms (From the session 2018-19 and onwards):

Passing marks in a subject:

- (a) To pass in theory subject, the student must secure a minimum of 40% of the maximum marks prescribed in the end semester University examination and 50% of the aggregate marks in the subject including sessional marks.
- (b) To pass in Practical / Internship/ Project/ Viva-voce examination, a student shall secure a minimum of 50% for the university examination in the relevant Practical / Internship/ Project/ Viva-voce and 50% of the aggregate marks in the Practical / Internship/ Project/ Viva – voce including sessional marks.
- (c) To pass in Seminar, as student shall secure a minimum of 50% of the maximum marks prescribed.

Promotion norms:

- (a) There shall not be any restriction for promotion from a semester to the subsequent semester, provided that, the student fulfills the attendance requirement and minimum credit requirement (72 credits) for M. Tech. degree. The lower and upper limits for course credits by a full time student registered in a semester are 12 Credits and 22 Credits respectively.
- (b) For promotion from one semester to next semester the minimum credit required are 50% of the total credits of the subjects opted for study in the semester.

Note: All students admitted/enrolled in B.Tech, M.Tech and MCA Programs are advised to mandatorily go through the Ordinance available on University website for the updates, any act of omission and commission w.r.t. above-stated norms and also for the other important provisions.

Award of Degree for B.Tech Program

B.Tech. First Division: $CGPA \geq 6.0$ and $CGPA < 7.5$ and zero credits for MOOC courses

B.Tech. First Division with Honours: $CGPA \geq 7.5$ and less than 20 credits for MOOC courses

B.Tech. (Honours) First Division: $CGPA \geq 6.0$ and 20 credits or more in MOOC courses

Provision of Minor and Honors Degrees along with Major Degree

From the academic session 2022-23, students are provided with the opportunity to pursue Minor and Honors Degrees along with their Major Degree. This initiative, based on the AKTU Circulars no. AKTU/Dean UG/2024/718 and AKTU/Dean UG/2024/719 dated March 28, 2024, aims to enhance the academic experience by allowing students to explore additional areas of interest and gain expertise in interdisciplinary fields.

Interested students can register for either a Minor Degree or an Honors Degree by paying a registration fee of Rs. 100/- at the accounts department. The registration form can be obtained from the Registrar's Office upon presentation of the fee slip.

Eligibility Criteria:

To register for a Minor Degree, students must meet the following eligibility criteria:

1. General Track Students:
 - o Must be in the 4th Semester.
 - o Must have a minimum Yearly Grade Point Average (YGPA) of 6.5 up to the first year.
 - o All courses should be passed in one attempt without grace marks.
2. Lateral Entry Students:
 - o Must have a minimum Cumulative Grade Point Average (CGPA) of 6.5 or 65% marks in their entry-level qualifying degree.

To register for an Honors Degree, students must meet the following eligibility criteria:

1. General Track Students:
 - o Must be in the 4th Semester.
 - o Must have a minimum Yearly Grade Point Average (YGPA) of 7.5 up to the first year.
 - o All courses should be passed in one attempt without grace marks.
2. Lateral Entry Students:
 - o Must have a minimum Cumulative Grade Point Average (CGPA) of 7.5 or 75% marks in their entry-level qualifying degree.

Students can only opt to register for only one track (either a Minor Track or an Honors Track) or none.

Monitoring and Control

Monitoring the performance of the students and taking corrective actions is important for their overall success. Relevant procedures have been devised by the College for the purpose.

- Internal tests are a method for continuous assessment of academic performance of the students. The results of the internal tests are analyzed by the respective Heads of Departments and students not performing well are advised and counseled appropriately.
- Topper students from each section are awarded certificate and cash prize.
- Parents of those students who absent themselves in the internal tests are informed through letters and advised to meet the Head of the Department.
- Monitoring of attendance of students is carried out very rigorously and adequate actions taken as per the policies of the College. Students not meeting the attendance criteria set by the College for appearing in internal tests are debarred from the same. Their counseling for attending the classes regularly is carried out by the faculty and Heads of Departments. Letters are dispatched to their parents informing about the low attendance of their wards and parents are advised to counsel them accordingly.
- Students are monitored for five consecutive absents in a class and parents are informed about the same.
- Students not performing well in the internal tests are counseled by the Heads of Departments for more hard work. Special classes for such students are conducted, if required. Parents of the students are informed through letters and advised to visit the College to discuss the performance of their wards.
- In an attempt to improve the performance of students, students not performing well are identified based on their performance in previous semester and given special attention for improvement. Students performing exceptionally well are motivated to perform even better and facilitated with extra books from the library etc.
- Under the mentorship program, a faculty mentor is appointed over every twenty students to solve their problems as well as guide and mentor them.

AWARDS AND INCENTIVES

Encouraging the students to perform better is a continuous effort at AKGEC. Various awards at different stages have been instated in order to motivate the students towards better performance in academics.

B.Tech. Program**Academic Performance Awards for Student's Position at University Level (Final Year)****Across The Branches**

First Position Holder	Rs. 50000/-
Second Position Holder	Rs. 45000/-
Third Position Holder	Rs. 40000/-
Fourth to 10 th Position Holder	Rs. 30000/-

Branch-wise

First Position Holder	Rs. 40000/-
Second Position Holder	Rs. 35000/-
Third Position Holder	Rs. 30000/-
Fourth to 10 th Position Holder	Rs. 20000/-

Position at College Level (Position holders at College level based on combined results of first year to final year)**Across The Branches**

AKGEC GOLD MEDAL College Topper	Rs. 20000/-
AKGEC SILVER MEDAL Second Rank	Rs. 15000/-
AKGEC BRONZE MEDAL Third Rank	Rs. 10000/-

Branch-wise

AKGEC GOLD MEDAL First Rank	Rs. 15000/-
AKGEC SILVER MEDAL Second Rank	Rs. 12000/-
AKGEC BRONZE MEDAL Third Rank	Rs. 10000/-

Position at University Level (Other than Final Year)(Across The Branches / Branch-wise)

First Position Holder	Rs.25000/-
Second Position Holder	Rs.20000/-
Third Position Holder	Rs.15000/-
Fourth to 10 th Position Holder	Rs.10000/-

Position at College Level (Other than Final Year)

College Topper (Year wise amongst all branches)	Rs.10000/-
---	------------

Branch-wise

First Position	Rs.5000/-
Second Position	Rs.4000/-
Third Position	Rs.3000/-

Performance in Internal Exams (Section-wise)

Criteria of Attendance	90% and above Best Student	Rs. 2000/- (Rs. 3000 if 100%)
	90% and above Second Best Student	Rs. 1000/-
Criteria of ST-1	80% and above Best Student	Rs. 1000/-
Criteria of ST-2	80% and above Best Student	Rs. 2000/-
Criteria of PUT	80% and above Best Student	Rs. 3000/-

MCA - Academic Performance Awards for Students
Position at University Level (Final Year)

First Position Holder	Rs. 40000/-
Second Position Holder	Rs. 35000/-
Third Position Holder	Rs. 30000/-
Fourth to 10 th Position Holder	Rs. 20000/-

Position at University Level (Other than Final Year)

First Position Holder	Rs.25000/-
Second Position Holder	Rs.20000/-
Third Position Holder	Rs.15000/-
Fourth to 10 th Position Holder	Rs.10000/-

Position at College Level (Final Year)

AKGEC GOLD MEDAL First Rank	Rs. 15000/-
AKGEC SILVER MEDAL Branch Second	Rs. 12000/-
AKGEC BRONZE MEDAL Branch Third Rank	Rs. 10000/-

Position at College Level (Other than Final year)

First Position	Rs.5000/-
Second Position	Rs.4000/-
Third Position	Rs.3000/-

Performance in Internal exams (Section-wise)

Criteria of Attendance	90% and above Best Student	Rs. 2000/- (Rs. 3000 if 100%)
	90% and above Second Best Student	Rs. 1000/-
Criteria of ST-1	80% and above Best Student	Rs. 1000/-
Criteria of ST-2	80% and above Best Student	Rs. 2000/-
Criteria of PUT	80% and above Best Student	Rs. 3000/-

INDUCTION / ORIENTATION PROGRAM

In accordance with the guidelines outlined by AICTE and AKTU, the freshly arriving first year students are to undergo Induction Program for three weeks. Salient points of the induction program are:

- Regular PT/Yoga sessions in the morning
- Lectures on Human Values topics by faculty mentors qualified in Human Value Course.
- Guest lectures by eminent speakers on motivational and other important social issues.
- Creative Art Sessions to be conducted by senior students of all social and cultural societies.
- One hour games period in the evening. Students are motivated to pick up at least one team game such as khokho, kabbadi, football, volley ball, basketball and cricket.
- Students are introduced to the departments in the college and the various central facilities including library, computer centres, Centres of Excellence and Software and Business Incubation Centres. Students are also made to visit the college Faith Centre.
- Address by the Director, Proctor and Heads of Departments.

The induction program culminates into a Freshers' Party where in senior B.Tech II year students welcome the freshers by putting up a grand cultural and musical show for them.

ANTI RAGGING COMMITTEE

Ragging is totally banned in AKGEC. As per the regulations given by the Supreme Court of India, anyone found guilty of ragging and/or abetting ragging will be severely punished including suspension from college with heavy fine and/or imprisonment.

As per UGC/AICTE regulations, an Anti-Ragging Committee has been formed under the chairmanship of the Director General. The committee enquires all reported cases of ragging.

The members of the committee are

College Proctor, Members of Civil Administration Members of Police Administration Members of the Press, Parents of Students and One Student Representative.

Each of the following would constitute an act of ragging:

- Any conduct by student(s) whether by words, spoken or written, or by an act which has the effect of teasing and/or treating or handling with rudeness a fresher or any other student.
- Indulging in rowdy or indiscipline activities by student(s) which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
- Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
- Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.
- Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.
- Any act or abuse by spoken words, emails, post and public insults.

Ragging related issues may be brought to the notice of any of the following members of the College Anti Ragging Squad.

Name	Designation	Mobile No.
Prof. S.L. Kapoor	Proctor	9582208028
Prof. I.P. Sharma	Dean Hostels	9650370337
Dr. Aditya Pratap Singh	Assistant Proctor & Non-Resident Faculty Warden(Boys)	9958883636
Mr. Vivek Kumar Pansari	Assistant Proctor & Non-Resident Faculty Warden (Boys)	9868666480
Prof. Anu Chaudhary	Professor and HoD Department of Information Technology	8527976204

Mr. Ravindra Kumar	Assistant Professor	9868309266
Mr. Shashi	Sports Officer	9350286272
Ms Anita	Hostel Warden (Girls)	7669094520
Mr. Virendra Singh	Chief Vigilance Officer	9971203788

However, be judicious and examine every issue critically before terming it as “ragging”. Mere interaction of senior students with you may not always be ragging.

ANTI RAGGING MEASURES

In view of UGC/AICTE policy on ragging, College has initiated following anti ragging measures:

1. Students are made aware on ills of ragging through various presentations KIRAN and discussions.
2. An anti-ragging balloon with the Anti Ragging message is flown from the roof of the College Canteen for about a month during period of arrival of first year students.
3. Anti-Ragging Poster making competition is held for all students during the period of three weeks of Induction Program.
4. Anti-Ragging Kite Flying Campaign is arranged in which all faculty, staff and students participate along with the freshers to spread an anti-ragging message.
5. Anti-Ragging Committee and Anti Ragging Squad are functional in the College.
6. Senior students of the Discipline Committee escort the freshers for about a month to generate confidence in them.

STUDENT DISCIPLINE COMMITTEE

A Student Discipline Committee working under the Proctor has been formed with the following functions:

1. Helping and guiding newly admitted students to move in the college from place to place during the entire period of the Induction Program and till completion the freshers Party
2. Assisting freshers in resolving their problems, if any, and bringing these to the notice of Proctorial Team.
3. Assisting the Proctorial Team in maintaining general discipline in the college.

PUNCTUALITY DRIVE

Punctuality is an important aspect of inculcating self-esteem and discipline. The College regularly conducts the drive for ensuring that students are punctual in all their activities. To motivate students for punctuality in their classes, the College has initiated three types of awards.

Type A Award	Two students among those who reach their classes well in time in the first period in morning are awarded Rs.200/- each daily based on lottery system.
Type B Award	All these students who have been awarded punishment for being late if subsequently show improvement are awarded Rs.500/- each.
Type C Award	All students of one class in each year whose record highest average attendance over a month in the first class are recognized and honored by giving token gift/Tea with Director General and Head of the Department every month.

INTERNAL COMPLAINTS COMMITTEE (ICC)

In pursuance of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013 and the Rules framed there under, the College has constituted the Internal Complaints Committee with a view to combat harassment against women employees and students.

The role of the ICC is to act as an Inquiry Authority on a complaint of Sexual Harassment, examine the case and on completion of enquiry submit report with recommendations to the Head of the Institute.

STUDENT GRIEVANCE REDRESSAL COMMITTEE (SGRC)

In order to address the grievances of students of College, which are not taken care of by the normal available channels, a separate “Student Grievance Redressal Committee (SGRC)” has been constituted as follows:

Name	Mobile No.
Dr. Hemant Ahuja (Chairman)	09899008275
Dr. Vani Bhargava, Associate Professor	09968479672
Dr. Aditya Pratap Singh, Associate Professor	09958883636
Mr. Naresh Kumar, Assistant Professor	09416467489
Ms. Anvesha Pandey, Student – 3 rd Year, EN	09935507561

The concerned student is required to contact any member of committee, preferably in writing, about their grievance so that suitable remedial action, if required, may be initiated by the committee. The grievance can also be registered online at www.akgec.ac.in. It may be noted that anonymous/ unnamed grievance / complaints without proper details will not be entertained.

ACADEMIC INSTRUCTIONS

- Students are advised to attend all classes, labs, seminars and project work as per the time table issued by the department.
- Students are also required to attend all scheduled co-curricular activities including guest lectures, personality development programs and others.
- Students are required to be seated in the classroom before the faculty member has entered in the room. Late comers (for any reason) will not be given attendance for the class.
- Students are required to keep their mobile phones in switched off mode during the classes and labs.
- Students are required to attain the attendance criteria as specified by the Institute.
- Any changes affecting the students or class schedule will be communicated to the students via the Notice Boards or other modes of communication including e-mail or online message. It is important that the students keep themselves abreast on any changes in timetable details and other announcements. It is the responsibility of students to update themselves with these communications made from time to time.
- Students are advised not to participate in mass bunking of classes. The practice will call for disciplinary action and monetary fine.
- Assignments shall be given in every subject during semester from time to time by the concerned faculty member. Students must complete each assignment within the given time.
- For project work and for assignments, students are strongly advised not to copy verbatim from colleagues or online or offline resources.

INSTRUCTIONS FOR EXAMINATION

During internal examination, the students should take care of the following instructions:

- Student without ID card are not permitted in the examination hall
- Students should sit as per the seating plan
- No late entry is permitted in the examination.
- Mobile Phone (any type) / electronic gadgets /any paper/chit or study material of any kind are not allowed in examination hall. If found, UFM case against the student will be initiated.
- Student should keep their mobile phones in their bags in switch off/ silent mode. Invigilator / Institute is not responsible in case of loss/theft.
- Students are advised not to write anything on question paper except his / her roll number.

from scheduled date limited upto Rs. 50/-. List of defaulters is sent to respective HoD's after one week and submitted to Director after 10 days.

- Reference books are issued only under special circumstances with prior permission of Senior Librarian/Asst. Librarian between 3:15 PM to 3:45 PM for overnight. Deposition of the reference book should be made positively on the next day up to 10:00 AM, failing which a fine of Rs.20/- is charged for each day. The user who does not deposit the reference book in time is treated as defaulter and refrained from issue of reference book in future.
- Question Papers & Solutions and other library materials are issued for Xerox for an hour only; late submission attracts a fine of Rs.2/- per hour per document.
- Borrowers must check the condition of the book before borrowing; they are responsible for any damage or mutilation noticed at the time of return.
- Leaving circulation counter without ensuring that the book(s) have been returned is a punishable conduct. For doing so a fine of Rs. 50/- is charged even if book is traced later on.
- No book is renewed/re-issued on same day.
- If a book is already issued to a student, another copy of the same book cannot be issued to or reserved for him/her.
- The latest edition of book is only accepted in replacement of a lost/damaged book along with a fine of Rs.50/- as processing fee. If the book is not available in the market / publisher, double the cost of book is charged.
- Misplacing/marking/tearing of books is punishable offence. Any user caught for such offence would be fined Rs.1000/- and may even lead to withdrawal of library facility to him/her.
- If any student is caught stealing from the library, a fine of Rs. 2000/- is imposed on him/her in addition to suitable disciplinary action.
- Disciplinary action is taken against Library users found misbehaving with the library staff.
- The loss of Identity card/library membership card is to be informed immediately to the Senior Librarian.
- For duplicate Identity card (in case of lost card), the student has to make a written request to the Director General and has to deposit a fine of Rs.300/- for duplicate card. A fine of Rs.100/- is to be paid as the processing fee for the replacement of ragged/damaged PVC Identity card or taking Identity card very late.
- Timing for other library services has been fixed which are subjected to change in the interest of the library users.
- Library users must ensure that their activities do not disturb the fellow users.

DISCIPLINE AND CODE OF CONDUCT

Discipline is given utmost importance at AKGEC and indiscipline of any sort is not tolerated. Students are expected to maintain discipline while in the college campus (classes, hostels and common facilities) as well as while outside the College. Cases of indiscipline are dealt with by the College Proctor and punishment granted.

Some common Dos and DON'Ts for code of conduct are as follow:

DOS

1. Be regular in the classes.
2. Be present in the classroom at least five minutes before the commencement of the class for the first lecture. Return from water break/lunch break between the classes in time so as not to disturb the class.
3. Be decently and neatly dressed.
4. Come to the class prepared with relevant notebooks and stationary.
5. Pay compliments to faculty and seniors whenever coming across.
6. Participate in sports, cultural and social activities of the college enthusiastically.
7. Inculcate good moral values, ethics and positive attitude.
8. Follow normal social etiquettes while interacting with colleagues, friends and seniors.
9. Maintain good peer circle.
10. Make effort to communicate in English amongst your friends in order to improve communication skills.
11. Switch OFF lights/fans while leaving the classrooms/hostel rooms.
12. Ensure that water taps are not running when not in use.
13. Follow traffic rules. Carry your driving license, registration and other required documents while driving. Necessarily wear a helmet while driving/pillion riding a two wheeler vehicle. Cross the road carefully; do not use headphones; do not be in a hurry.
14. Report any abnormal/untoward incident to the college authorities immediately.
15. Exhibit good conduct within the college as well as in public places.
16. Make it a habit to read all important notices being placed for information to students.

DON'Ts

1. Do not sit on stairs and pathways to block way for others.
2. Do not sit in out of bound areas declared by the Proctor.
3. Do not litter your surroundings and college premises.
4. Do not walk while eating/drinking.
5. Do not use your mobile phones in class rooms/laboratories, while walking and coming across faculty members.
6. Do not damage/mishandle college property.
7. Do not use abusive language, kicking, fisting or fighting on any pretext especially while celebrating birthdays.
8. Do not quarrel with fellow students on difference of opinion. If situation demands, report the matter.
9. Do not be seen in academic areas in barmudas/capries/shorts and/or chappals.
10. Do not indulge into foolish bets with fellow students for any destructive and negative activity.
11. Do not contact a tout/agent for seeking help for scholarships etc.
12. Do not get lured or try to lure others to be part of chain businesses like Easy Bee, Amway etc. while studying in the college.

DRESS CODE

Student attire should befit the institute that they represent and reflect the status of the Institute. Students should ensure neat and clean as well as sober attire with proper foot wear. Boys should maintain proper haircut and shave regularly / maintain proper beard. On formal occasions such as seminars, presentations and representation outside the College, students are expected to be formally dressed. Students should ensure wearing the Identity Card while in the College or representing the College at other institutions.

HOSTEL RULES & REGULATIONS

1. Students must necessarily read the notice board for various instructions on a daily basis.
2. Students are to strictly follow the Book In/Book Out timings and procedures as laid down by the hostel. The timings and procedures are different for different hostels and will be informed through notice by the Dean Hostels/Chief Warden for the respective hostels. Students are required to enter/exit the hostel or their rooms only through the defined entry/exit gate/door.
3. Attendance will be taken in hostels on a daily basis. Students must report for attendance in time. All students are required to report for attendance in person.
4. Students are to proceed on leave from hostel only after filling in the leave application form and submitting it to the warden.
5. Hostel students are not permitted to bring or entertain any visitor (including college day scholar students) in their room/dining hall without written permission of Dean Hostels/Chief Warden. Strict disciplinary action will be taken against hostel student for violation of the rule. Students staying in the hostel are expected to immediately inform the Warden about presence of any outsider in the hostel.
6. Visitors of students are permitted to visit the hostel after making entry in the visitors' register kept with the guard. Entry of visitors is permitted only up to the visitors' room and during visiting hours notified on the Notice Board of each hostel. Only parents and local guardians (included in the local guardian form) may be permitted to visit the students beyond visiting hours, after permission from the Warden.
7. No guests of students are permitted to stay in the hostel or dine in the mess.
8. Rooms once allotted will not be changed without the written consent of Dean Hostels.
9. Students are not permitted to stay in the hostel during college hours without valid reason such as illness.
10. Students are required to sleep only in the rooms allotted to them. They may visit rooms of their colleagues for purpose of studies, discussions etc. However, this should not cause disturbance to other occupants of the room.
11. The students shall keep their rooms in a neat and tidy condition and shall be responsible individually and jointly for the furniture/fittings and items issued to them. No furniture item will be shifted from one room to another or from its specific position.

12. The rooms shall be opened for inspection by the Warden and other authorities of the college at any time.
13. The hostel students are to make use of the facilities of the hostels without causing damage or defacing or disfiguring the same. Fine and other penalty will be imposed on the defaulters.
14. Students are themselves responsible for the safety of their belongings, valuables and money. The hostel or College authorities will not be responsible for loss of any money or belongings. Students are advised not to keep expensive items and surplus cash in the hostel. They are required to keep their Almirah locked as well as lock the rooms when not present.
15. No rewiring / additional wiring in the room is to be done. Putting of LAN wiring between rooms for the purpose of sharing of data /gaming is prohibited.
16. There should be no wastage of electricity and water, and under no circumstances will the rooms be left with lights and fans ON. Use of heaters and any other electrical appliances, routers are not permitted. Coolers are permitted after paying the requisite fees. Defaulters will be imposed penalty.
17. Complaints – electrical, civil, plumbing, washing machines etc. must be registered in the appropriate complaint register maintained in the hostel.
18. It is the responsibility of the roommate(s) and/or any other student, who notices, to immediately report to the warden any cases of sickness, abnormal behavior and violation of hostel regulations. Non-reporting of such events/activities will also constitute indiscipline.
19. Students are advised to keep with them the phone numbers of the wardens for use in case of emergency. Further, they should respond to the phone in case the warden calls up. Also any change in the phone number of the student, parent(s) or local guardian(s) should be immediately updated in the hostel records.
20. Smoking and consumption of drugs/alcohol is completely prohibited. Any use, if noticed by a student, should be brought to the notice of the warden immediately.
21. Keeping, carrying, using or supplying of any fire arms lethal weapons, knife with blade of more than four inches length, is strictly prohibited.
22. Use of loud music systems is not permitted in the hostel rooms and common areas. However, use of music devices with earphones is permitted.
23. Any student gatherings for society meetings and organizing functions, parties etc. may be organized only after due permission from the warden.
24. Students are advised not to participate in any demonstration/protest within or outside the hostel/college.
25. No late night parties are permitted in the hostel. Celebration of birthdays in a violent form such as kicking, fisting, abusing etc. is not permitted. Such activities will call for strict disciplinary action.
26. Students residing in the hostels are expected to participate in all academic and co-curricular activities on regular basis. In case of failure to meet the attendance norms ~~26~~

regular classes and/or co-curricular activities (CCP, PDP etc.) run by the College, the student may be asked to vacate the hostel.

27. All deliveries from online shopping marts must be collected in the presence of the guard at the hostel security post. The guard has the authority to check the contents in case of doubt.
28. Delivery of cooked food items by outside vendors is not permitted in the hostels.
29. Any pamphlet/poster that needs to be put on display in the hostel must be given to the warden. Nothing should be pasted on the walls.
30. Students are advised to dress decently while visiting the mess or outside the hostel premises.
31. Students are not permitted to take mess utensils and food into the rooms. All students are required to dine only in the mess.
32. Any issue related to dinning would be spoken to the warden only and no case any student will enter in discussion/arguments with any mess staff.
33. Do not make fun of other students beyond accepted limit of his/her tolerance leading to reporting to the warden.
34. Do not plan to get locked up in hostel rooms to avoid attending classes. If found like this both students inside and one who has locked the room from side would be punished.

Important to note

1. Non adherence to hostel rules and regulations will attract severe disciplinary action including deduction of G.P. marks, imposition of fine and expulsion from hostel/college.
2. Strictly follow all safety norms against of **COVID-19** (CORONA).
3. Please report immediately to the warden as and when you or anyone of your roommate have any symptom of fever, flu or Corona and ask for segregation of the patient

Additional points for Girl Students Staying in Hostel

1. Girl students are required to get gate pass issued from the warden for outing on holidays. Only those students whose parents have given consent for outing in the local guardian form will be permitted outings.
2. Girl students are required to seek permission from the College for joining coaching classes outside the College. Prescribed form for the permission is available with the Warden.

TRAINING AND PLACEMENT

The college has a full-fledged Training and Placement Department headed by Dean T&P. The highly competent team engages in interaction with corporate houses to explore the opportunities for training and job placement of students. Counseling is provided to groom students in order to meet the standards of the industry, not only in technical knowledge but also in interpersonal and communication skills. Interactive seminars on emerging technologies, personality development programs, career counseling and industrial visits are arranged to provide an excellent exposure to students.

The major recruiters are reputed companies like Infosys, Wipro, TCS, Adobe Systems, Capgemini, Cognizant, Samsung R&D Institute India, Robert Bosch, Ashok Leyland Limited, Astrea IT Services, Adani Gas, British Telecom, DLT Labs, Global Logic, Grindwell Norton Limited (Saint-Gobain Group), HCL Technologies Limited, Hitachi Consulting Software Services India Pvt Ltd, HSBC Software Development (India) Pvt. Ltd., Info Edge India Limited, Jaro Education, Jindal Udyog Ltd., Josh Technology, Lohia Corp Limited (Lohia Group), MAQ Software, Motherson Sumi Systems Limited, Nagarro, NEC Technologies India Pvt Ltd, Newgen Software, NIIT Technologies Limited, NTT Data Services, Optum (a United Health Group Company), Rathni Industries Ltd, Sopra Steria India, Torrent Power Limited, UAA Digital Media Pvt Ltd, Indian Navy, etc.

While the College makes all possible efforts to facilitate good employment opportunities, the placement of a student solely depends on his meeting the competence requirements of the concerned company/industry and is not in any way responsibility of the College.

CENTRES OF EXCELLENCE

To strengthen our commitment for improving quality of education and to keep our students and faculty abreast with the latest technological advancements through close interaction with industry, the college has collaborated with various eminent multinational industries to establish Centres of Excellence in various domains. These centres not only provide industry relevant training to students but also promote applied research and industrial consultancy.

- Industrial Robotics Training Centre, the first of its kind in the country, established in collaboration with KUKA Robotics, for imparting training in Robot Programming with internationally recognized and valid certification at basic advance and expert levels.
- Centre of Competence in Automation Technologies, in collaboration with Bosch Rexroth AG, Germany, the first of its kind in North India, for training in industrial hydraulics, pneumatics, sensorics, drives & control, CNC, PLC and mechatronics with internationally recognized certification at basic, intermediate and advance level in Industrial Automation.
- Industrial Pneumatics Knowledge Centre set up jointly with Janatics India Pvt. Ltd., to provide a platform for engineering students to develop state of art applications, prototype and proof of concept in the field of low cost automation suited for SMEs.
- LabView Academy, established jointly with National Instruments, India under their Planet NI (Nurturing Innovation) framework for training in the field of Virtual Instrumentation and specialized training for CLAD and CLD Certifications.
- Advanced Manufacturing Centre, established jointly with SIEMENS supported by Ace Micromatic Group, for imparting training on Advance Manufacturing Concepts, using CNC programming for Training, Mining & Grinding operations with CNC machining, with complete set up on Reverse Engineering to facilitate 3D Modelling.

- Fab Lab @ AKGEC enables invention by providing access for individual including students and industry professionals. The available facility and equipments such as 3D Printers, Laser Cutting, Engraving System, Profile Cutters, makes this facility unique and one of its kind available to promote problem solving ability in young engineering graduates.
- Skill Development Centre in collaboration with National Skill Development Corporation (NSDC), Ministry of Skill Development & Entrepreneurship, Govt. of India to train 10th / 12th, ITI AND Diploma candidates in the domain of Industrial Automation, Robotics, Manufacturing and Fabrication as per the Industries requirements.
- Research and Industrial Consultancy Centre (RICC) facilitates collaborative development and consultancy projects and regular training sessions in AutoCAD, Pro-Engineer and CATIA V5 softwares.
- IDEA Lab, the Technical Business Incubator at AKGEC, dedicated to recruit teams which are ready to innovate technology solutions for real life problems to be spun off into a company and grow into a successful business
- Software Development Centre, equipped with state-of-the-art infrastructure and hardware/software tools, provides a highly conducive and stimulating environment for the young brains to explore and come out with innovative solutions using emerging technologies.
- Big Data Centre of Excellence equipped with fully functional cluster of 12 data nodes and 1 name node, to provide training in big data analysis and research opportunities
- Open Source Software R&D Centre is exhaustively engaged in research, development, training and consultancy activities related to open source software.
- The college has established a Blockchain Research Lab (BRL) in collaboration with DLT Labs, one of the global leaders in the development and integration of innovation enterprise solutions using distributed ledger technology. The lab is providing training to college students through short programs and making them work on real time projects using Blockchain concepts.
- Include Machine Learning Centre of Excellence
- Research and Industrial Consultancy Centre (RICC) facilitates collaborative development and consultancy projects and regular training sessions in AutoCAD, Pro-Engineer and CATIA V5 softwares
- IDEA Lab, the Technical Business Incubator at AKGEC, dedicated to recruit teams which are ready to innovate technology solutions for real life problems to be spun off into a company and grow into a successful business
- Software Development Centre, equipped with state-of-the-art infrastructure and hardware/software tools, provides a highly conducive and stimulating environment for the young brains to explore and come out with innovative solutions using emerging technologies
- Big Data Centre of Excellence equipped with fully functional cluster of 12 data nodes and 1 name node, to provide training in big data analysis and research opportunities

- Open Source Software R&D Centre is exhaustively engaged in research, development, training and consultancy activities related to open source software
- The college has established a Blockchain Research Lab (BRL) in collaboration with DLT Labs, one of the global leaders in the development and integration of innovative enterprise solutions using distributed ledger technology. The Lab is providing training to college students through short programs and making them work on real time projects using Blockchain concepts.

BEYOND THE CURRICULUM

Today's competitive challenges cannot be overcome with academic excellence alone. With this in view, AKGEC focuses on a holistic development of the students. This is achieved through numerous ventures in addition to academic programs.

- 100 hours mandatory Personality Development Program for B.Tech II year and MCA I year students
- Guest lectures delivered by eminent personnel from the industry with the aim to strengthen the knowledge base of students and make them competitive while they ready themselves to enter the professional world
- National and International Conferences to promote research and exposure to new technological developments among faculty and students
- Industrial visits to provide exposure and feel of the industry to students
- Infosys InfyTQ Program, an industry-academia partnership of Infosys, to groom industry ready professionals
- Mentorship program to facilitate problem solving to junior students by the senior students

VALUE EDUCATION CELL

- AKTU had introduced an essential foundation course on Human Values and Professional Ethics now called Universal Human Values in June 2009 for all branches of study. The University established VE Cell and advised affiliated institutes to form similar cells at college level.
- VE Cell, AKGEC was established in 2017. The purpose was to provide exposure and conducive environment to students, faculty and staff aiming at personal transformation and through that the evolution of humane society. As a consequence of good work done by VE Cell, AKGEC, the college was designated as one of the five Nodal Centres by AKTU, the purpose being to promote value education in the college as well as adjoining institutions to inculcate value education as an integral part of life.

TECHNICAL AND CULTURAL SOCIETIES & CLUBS

The college emphasizes all round development of students and is conscious that learning is not confined to class rooms only. The college has a number of active cultural, literary and technical societies involved in multifarious activities all-round the year.

The departmental technical societies provide a platform to the students where they can enhance their practical skills by conducting and participating in technical contests, paper presentations, seminars and a plethora of similar activities. The societies are managed by the students under assistance and guidance from faculty coordinators.

Technical Society	Department
Conatus	Computer Science and Engineering Information Technology
CSI Student Chapter	Information Technology
Phoenix	Electronics and Communication Engineering
Samveg	Mechanical Engineering
ISTE Student Chapter	
SAE India Student Chapter	
Oorja	Electrical and Electronics Engineering
Nirmaan	Civil Engineering
Parivridhi	Master of Computer Applications

The college also have cultural and literary societies to encourage the students to showcase their talent through various events during college functions. A variety of cultural, technical and sports events are organized throughout the year through the following societies:

Footprints, the literary and art society, organizes various competitions throughout the year: Anti-ragging Poster Making competition, Blood Donation Poster Making competition, Face Painting competition, T-shirt Painting competition and many more. The works of the brilliant artists are put up for display in the college exhibition arcade.

V - Verve, the fashion society of the College, coalesces the fashion world with the societal order through presentation of ideas on social issues, Indian cultures and on prevailing controversial issues. The preamble of the society speaks of style, flamboyance, panache and dedication.

Horizon, the society under the aegis of Department of Applied Sciences and Humanities, conducts activities that enable the students in developing soft skills like effective communication, leadership, team work and negotiations etc. Besides events like essay writing, debates and paper presentations, the society conducts two important events every year - KIRAN: Kaho India Ragging Aur Nahi and Disha, the Orientation Program for the first year students.

Renaissance, the ethical and social welfare society of the college, has been formed with the objective to inculcate good moral values, ethics, work culture and positive attitude among students. The society organizes workshops and seminars in pursuit of its objectives, as well as encourages students towards cleanliness and social responsibilities through competitions and events.

Goonj, the dramatics society of the college, is actively involved in organizing street plays, mimes, poetry events and theme based skits during various college functions. The society has actively participated in cultural fests in various colleges and won laurels for the college.

Taal, the Dance Society of the college, organizes various dance events and competitions in the college. The society has participated in various inter college events and won prizes for the outstanding performances.

Euphony, the college band, an amalgamation of talent on various instruments, has been star performer in the college activities. Besides various events, the society conducts musical classes for learners in the college during evening hours.

Photography Media Club, a creative community focused on visual storytelling through photography, videography and media production.

INSTITUTIONAL MEMBERSHIPS AND STUDENT CHAPTERS

- Computer Society of India (CSI)
- Institution of Electronic and Telecommunication Engineers (IETE)
- IEEE-PES (Power and Energy Society) Student Chapter

AKGEC PUBLICATIONS

AKGEC publishes the bi-annual International AKGEC Journal of Technology to provide a forum for publishing new findings on engineering and technology. The journal publishes blind peer reviewed research papers related to engineering streams and allied disciplines. The journal is available for the readers online as well as in print. The journal has eminent professors, researchers and corporate executives on its honorary editorial board.

Additionally, in harmony with the College ideology of research orientation of faculty and students, each department publishes its own departmental journal with articles contributed by faculty and students. The bi-annual journals are managed by the departmental editorial boards under the able guidance of the Heads of Departments.

ALUMNI RELATIONS

The best measure of the success of an educational institution is the success of its alumni. AKGEC has a highly networked strong community of over 10000 alumni who are enjoying distinguished status in various places in India and across the globe. An alumni meet, organized every year, is marked with the sharing of success stories, experiences and memories amidst a myriad of cultural events.

EXTRA AND CO-CURRICULAR ACTIVITIES

Students are motivated to participate in the extra and co-curricular activities. The departmental societies provide a platform to the students where they can enhance their practical skills by conducting and participating in technical contests, paper presentations, seminars and a plethora of similar activities. The cultural and literary societies encourage the students to showcase their talent through various events during college functions. A variety of cultural, technical and sports events are organized throughout the year.

- Induction / Orientation program for new entrants
- Freshers' Party
- Ajay Kumar Garg Memorial Table Tennis Tournament in association with Ghaziabad District Table Tennis Association
- Annual inter department sports meet
- SCROLLS, an annual paper presentation event, in association with Ghaziabad Management Association (GMA)
- Farewell Party
- Festivals and days of national importance

The students are encouraged to participate in the annual sports, cultural and technical fests organized by AKTU at zonal and state levels. AKGEC students have won laurels at various events organized by eminent institutes and organizations.

Over the years the college has succeeded in its endeavor to make the college a ragging free campus. To create awareness among the senior students and to prevent ragging, the college conducts an extensive anti ragging drive at the beginning of each academic year. This includes anti ragging awareness program, anti-ragging kite flying event and poster and essay writing competitions on the theme of anti-ragging.

IMPORTANT FUNCTIONARIES OF THE COLLEGE

Designation	Name	Contact No.
Director General	Dr. R.K. Agarwal	9313321455 8744052895
Director	Prof. Hemant Ahuja	9899008275
Dean 1 st Year & Proctor	Prof. S.L. Kapoor	9312072348
Dean T&P	Prof. Rakesh Srivastava	9415143567
Dean Examinations	Prof. Anu Chaudhary	8527976204
Dean Students Welfare	Prof. Pallab Biswas	8860611228
Head, Value Education Cell & M.Tech Coordinator	Prof. Gopal Babu	9999482057
Head, TIFAC-CORE	Prof. Ashiv Shah	9891984680
HoD (EN)	Prof. Lokesh Varshney	8588073142
HoD (CSE)	Prof. Anu Chaudhary	8527976204
HoD (IT)	Prof. Rahul Sharma	9716718467
HoD (CE)	Prof. Rakesh Srivastava	9599670207
HoD (ECE)	Prof. Neelesh Gupta	9826191439
HoD (ME)	Prof. Pallab Biswas	8860611228
Dean Research and Development	Dr. Monika Jain	9717020158
Dean Hostels & Dean Library Resources	Prof. I. P. Sharma	9650370337
Dean Administration	Air Cmde P. Singh	9717470925
Staff Officer to Director and Manager HR	Ms. Neelam Chhibber	8744052895
Registrar	Dr. Shraddha Dixit	9818391726
Chief Accounts Officer	CA. Juhi Khanna	7289020666
Chief Administrative Officer	Mr. Satender Singh	9911220320
Chief Procurement Officer	Mr. Vishal Goel	8178232879
Chief Warden (Girls Hostel)	Ms. Ruchi Yadav	8130522792
Senior Librarian	Dr. Shiv Shanker Srivastava	9818590621
Public Relations Officer	Mr. Mukesh Sharma	9312082520
